

Ultralight One-Piece Mount 30mm, H15mm, 20MOA

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: ERATAC Ultralight One-Piece Mount 30mm, H15mm, 20MOA
- Manufacturer: ERATAC
- Product no.: EU2017976
- Mfr. No.: T3013-2015
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3013-2015

Safety Instruction Guide for ERATAC Ultralight OnePiece Mount

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides essential safety instructions and usage information to ensure a secure and effective experience with your product. Please read this guide carefully before using the mount.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the mount regularly for any signs of wear or damage.
- Store the mount in a dry, cool place when not in use to prevent corrosion.
- Keep the mount and all related components out of reach of children and unauthorized users.
- Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the mount only with compatible optic devices to avoid improper fit and potential accidents.
- Do not exceed the manufacturer's recommended weight limits for optics mounted on the device.
- Ensure that all screws and fasteners are securely tightened before use to prevent loosening during operation.
- When mounting the device, ensure that the Picatinny rail is clean and free from obstructions.
- Avoid using the mount in extreme weather conditions without proper protective measures.
- Be aware of the recoil potential of your firearm, especially when using highcaliber ammunition.

Instructions for Installation and Usage

Installation

1. Prepare the Firearm:

- Ensure the firearm is unloaded and safe to handle.
- Remove any existing optics or accessories from the Picatinny rail.

2. Clean the Rail:

- Wipe the Picatinny rail with a clean cloth to remove dirt or debris.

3. Position the Mount:

- Align the ERATAC Ultralight OnePiece Mount with the desired position on the Picatinny rail.

4. Secure the Mount:

- Use the provided heavyduty Torx screws to secure the mount to the rail.
- Tighten the screws evenly to ensure a secure fit without overtightening.

5. Attach the Optic:

- Follow the manufacturer's instructions for mounting your optic device onto the mount.
- Ensure that the optic is securely fastened and properly aligned.

Usage

- Familiarize yourself with the operation of your optic device before using the firearm.
- Always wear appropriate eye and ear protection when using firearms.
- Practice safe handling and shooting procedures at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not dispose of the mount in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support
