

Ultralight One-Piece Mount 30mm, H22mm, 20MOA

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: ERATAC Ultralight One-Piece Mount 30mm, H22mm, 20MOA
- Manufacturer: ERATAC
- Product no.: EU2017977
- Mfr. No.: T3013-2022
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3013-2022

ERATAC Ultralight OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of your mount. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the mount by following these guidelines:
 - Always inspect the mount for damage before use. Do not use if damaged.
 - Ensure that the mount is compatible with your specific firearm and optic.
 - Follow all local laws and regulations regarding firearm accessories.
 - Keep the mount out of reach of children and vulnerable individuals.
 - Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- To avoid potential hazards, please observe the following precautions:
 - **Weight Considerations:** While the mount is designed to be lightweight, ensure that your firearm can safely support the weight of the mount and any attached optics.
 - **Recoil Resistance:** The mount is tested for recoil resistance; however, always check the stability of the mount after firing.
 - **Installation:** Incorrect installation can lead to accidents. Follow the installation instructions carefully.
 - **Optic Manipulation:** Ensure that the optic's magnification ring is easily accessible and not obstructed by the mount.
 - **Environmental Conditions:** Avoid using the mount in extreme weather conditions that may affect performance.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the ERATAC Ultralight OnePiece Mount:

1. Preparation:

- Gather all necessary tools, including Torx screws and a screwdriver.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Mount Installation:

- Align the mount with the Picatinny rail on your firearm.
- Secure the mount using the heavyduty Torx screws provided. Ensure all screws are tightened to prevent movement during use.

3. Optic Attachment:

- Attach your optic to the mount according to the manufacturer's instructions.
- Adjust the optic for proper eye relief and ensure it is securely fastened.

4. Final Checks:

- Inspect the mount and optic for stability. Ensure there are no loose parts.
- Perform a function check by simulating the intended use of the firearm.

Disposal Instructions

- When disposing of the ERATAC Ultralight OnePiece Mount, follow these guidelines:
 - Dispose of the mount in accordance with local regulations concerning electronic and firearm accessories.
 - If the mount is damaged beyond repair, consider recycling materials where applicable.
 - Do not dispose of the mount in regular household waste to prevent environmental harm.

Contact Information for Further Support

- For safety inquiries, please refer to the EUbased contact point provided by the manufacturer. Ensure you have the product details ready when seeking assistance.

Thank you for your attention to these safety instructions. Proper use and care will enhance your experience with the ERATAC Ultralight OnePiece Mount. Stay safe and enjoy your shooting experience!
