

# Ultralight One-Piece Mount 30mm, H25mm, 20MOA

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

## Attributes

- Name: ERATAC Ultralight One-Piece Mount 30mm, H25mm, 20MOA
- Manufacturer: ERATAC
- Product no.: EU2017978
- Mfr. No.: T3013-2025
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3013-2025

# Safety Instruction Guide for ERATAC Ultralight OnePiece Mount

## Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the mount.

## General Safety Guidelines

- Ensure the mount is compatible with your firearm before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Regularly inspect the mount for any signs of wear or damage before use.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the mount.
- Ensure that the mount is securely attached to the firearm before use.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Do not modify or alter the mount in any way, as this may compromise its safety and functionality.
- Use the mount only for its intended purpose; do not use it for any other applications.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Clean the Picatinny rail where the mount will be attached.
- Align the mount with the rail and slide it into place.
- Use the provided heavyduty Torx screws to secure the mount.
- Tighten the screws evenly to ensure a secure fit without overtightening.

### 2. Usage:

- After installation, check the alignment of your optic for proper eye relief.
- Make any necessary adjustments to the optic's magnification ring without removing the mount.
- Regularly check the mount for tightness, especially after heavy use or transport.

## Disposal Instructions

- Dispose of the mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- Consider recycling the product if possible, or consult local waste management services for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the ERATAC Ultralight OnePiece Mount, please consult the manufacturer or authorized dealer for assistance. It is important to ensure that you have access to support for

any safety inquiries or productrelated issues.

By following these safety instructions, you can enjoy the benefits of the ERATAC Ultralight OnePiece Mount while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
