

Ultralight One-Piece Mount 34mm, H21.5mm

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: ERATAC Ultralight One-Piece Mount 34mm, H21.5mm
- Manufacturer: ERATAC
- Product no.: EU2017981
- Mfr. No.: T3014-0021
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3014-0021

ERATAC Ultralight OnePiece Mount Safety Instructions

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides essential safety information, installation instructions, and usage tips to ensure your product operates safely and effectively. Please read this manual thoroughly before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the mount by following all instructions in this guide. The mount is designed for nonfood use and should only be used as intended.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken if the mount is used around vulnerable groups, particularly children.
- **EU Contact Point:** For any safety inquiries, refer to the EU contact point provided upon purchase.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products related to your purchase.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the mount is compatible with your specific rifle model before installation.
- **Weight Limitations:** Do not exceed the weight limits specified for the mount. Overloading can compromise safety and performance.
- **Inspection:** Regularly inspect the mount for any signs of wear, damage, or corrosion. If any issues are found, discontinue use immediately.
- **Secure Installation:** Always ensure that the mount is securely installed to prevent accidents during use.
- **Avoid Modifications:** Do not modify the mount in any way. Alterations can compromise safety and functionality.
- **Environmental Considerations:** Avoid exposing the mount to extreme temperatures or harsh environmental conditions that could affect its integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that your workspace is clean and free from distractions.

2. Installation:

- Align the mount with the Picatinny rail on your rifle.
- Secure the mount using the heavyduty Torx screws provided. Ensure that the screws are tightened according to the manufacturer's specifications.
- Doublecheck the alignment and tightness of the mount before proceeding.

3. Usage:

- When using the mount, ensure that your optic is securely attached and properly adjusted for your

shooting stance.

- Always practice safe handling procedures when using firearms.
- If you experience any issues with the mount during use, stop using it immediately and inspect for damage.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the mount and any packaging materials in accordance with local regulations and environmental guidelines.
- **Recycling:** If possible, recycle materials to minimize environmental impact.
