

Ultralight One-Piece Mount 34mm, H23mm, 20MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: [ERATAC Ultralight One-Piece Mount 34mm, H23mm, 20MOA](#)
- Manufacturer: [ERATAC](#)
- Product no.: EU2017983

ERATAC Ultralight OnePiece Mount Safety Instructions

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that the mount is compatible with your firearm before use.
- Inspect the mount for any signs of damage or wear before installation.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Ensure that the mount is installed and used in accordance with the manufacturer's instructions.
- Keep the mount and all related accessories out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Weight Considerations:** Although the mount is lightweight, ensure that your firearm is capable of handling the mount's specifications.
- **Recoil Resistance:** The mount is designed to withstand .50 BMG recoil; however, always check for proper installation before shooting.
- **Installation Environment:** Install the mount in a clean, dry environment to prevent any foreign materials from affecting the installation.
- **Eye Relief:** Ensure that the eye relief is set correctly for your shooting stance to avoid injury.
- **Optic Manipulation:** Ensure that you can easily manipulate your optic's magnification ring without obstruction.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including Torx screws and a Torx screwdriver.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Align the mount with the Picatinny rail on your firearm.
- Secure the mount using the provided Torx screws, ensuring a tight fit without overtightening.
- Confirm that the mount is securely attached and does not wobble.

3. Usage:

- Before each use, inspect the mount for any signs of damage.
- Adjust the optic's magnification ring as needed for your shooting conditions.
- Ensure that your shooting stance allows for optimal eye relief.

4. PostUse:

- After use, clean the mount with a soft cloth to remove any dirt or debris.
- Store the firearm and mount in a secure location.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the mount in household waste. Check for recycling programs in your area.

Contact Information for Further Support

For any inquiries or additional support, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the ERATAC Ultralight OnePiece Mount.
