

Ultralight One-Piece Mount 34mm, H19.5mm, 20MOA

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: ERATAC Ultralight One-Piece Mount 34mm, H19.5mm, 20MOA
- Manufacturer: ERATAC
- Product no.: EU2017984
- Mfr. No.: T3014-2019
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3014-2019

Safety Instruction Guide for ERATAC Ultralight OnePiece Mount

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before installation and use to maximize safety and performance.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the mount for any signs of damage or wear before each use.
- Keep the mount and its components out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- In case of any malfunction or abnormal performance, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to the firearm before use.
- Do not exceed the manufacturer's weight limits or specifications for the mount.
- Be aware of your surroundings and ensure a clear shooting area when using the mount.
- Use appropriate eye and ear protection when shooting.
- Avoid using the mount in extreme weather conditions that may affect performance.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools, including a Torx screwdriver.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and in a safe condition.
3. **Align the Mount:** Position the ERATAC Ultralight OnePiece Mount on the Picatinny rail of your firearm. Ensure it is aligned properly for your optic.
4. **Secure the Mount:**
 - Use the heavyduty Torx screws provided to attach the mount securely to the rail.
 - Tighten the screws evenly to ensure a solid connection without overtightening.
5. **Check Stability:** After installation, check that the mount is firmly in place and does not move.

Usage

1. **Adjust the Optic:** Once installed, adjust your optic's magnification ring as needed without obstruction.
2. **Check Eye Relief:** Ensure that the eye relief is comfortable for your shooting stance.
3. **Regular Maintenance:** Periodically check the mount for tightness and inspect for any signs of wear or damage.

Disposal Instructions

- Dispose of the ERATAC Ultralight OnePiece Mount and its packaging materials in accordance with local regulations.
- Do not dispose of the mount in general household waste if it is deemed unsafe or damaged.
- Consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the appropriate local authorities or your point of purchase.

By following these guidelines, you can ensure a safe and enjoyable experience with your ERATAC Ultralight OnePiece Mount. Thank you for your attention to safety and responsible usage.
