Backup Sights Folding Front Sight Safety Instruction Guide

Introduction

Thank you for choosing the Backup Sights Folding Front Sight. This product is designed for competitive sports shooting, providing an ultrafine sight picture and lowprofile deployment for optimal performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle the sight with care to avoid damage.
- Ensure the sight is securely attached to your firearm before use.
- Do not use the sight if it appears damaged or malfunctioning.
- Keep the sight and all shooting equipment out of reach of children.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect the sight for wear and tear, and replace if necessary.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before shooting, ensure that the sight is properly aligned with your firearm.
- Use appropriate eye and ear protection while shooting.
- Do not modify the sight in any way, as this may compromise safety and performance.
- Avoid using the sight in adverse weather conditions that may impair visibility.
- Ensure that the sight is folded down when not in use to prevent snagging on clothing or gear.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Locate the mounting area on your firearm.
- Align the sight with the mounting area and secure it using the provided screws or mounting hardware.
- Tighten the screws carefully, ensuring that the sight is stable and secure.

2. Usage:

- To deploy the sight, gently pull it upwards until it locks into place.
- Adjust the sight as needed for optimal alignment with your target.
- After use, fold the sight down by pressing the release mechanism and lowering it carefully.

Disposal Instructions

- Dispose of the sight according to local regulations.
- Do not dispose of the sight in regular household waste if it contains electronic components.
- Consider recycling options where available to minimize environmental impact.
