

# Backup Sights - Folding Rear Sight/folding rear sight

Same-Plane Dual Aperture: Features two integrated ghost rings (5 mm and 1.7 mm) calibrated to sit on the exact same focal plane, allowing for instant transitions between close-quarters and long-range aiming.

Spring-Loaded Drop Protection: Equipped with a rugged, spring-loaded flip-up mechanism that deflects harsh impacts, preventing damage to the sight housing under heavy field use.

Ultra-Low Profile: A sleek, minimalist design that collapses down to an exceptionally flat base height of just 9 mm, keeping it completely clear of primary optics.

Standard AR-15 Alignment: Matches the exact optical center height of standard factory AR-15 iron sights for an intuitive cheek weld.

Tool-less Elevation Adjustments: Supports interchangeable front sight posts and allows for continuous, precise height adjustments without requiring specialized tools.

Maritime-Grade Protection: Treated with a specialized technical coating that renders all components 100% rustproof, even when subjected to harsh, corrosive saltwater environments.

Design Variants: Available with either a standard configuration or a classic, hooded HK-style folding front sight.

# Backup Sights Folding Rear Sight Safety Instructions

## Introduction

Thank you for choosing the Backup Sights Folding Rear Sight. This product is designed to enhance your shooting experience while ensuring safety and usability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the sight with care to avoid damage.
- Ensure the sight is securely mounted before use.
- Regularly inspect the sight for any signs of wear or damage.
- Do not use the sight if it is damaged or not functioning properly.
- Keep the sight out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure you follow the installation instructions carefully to avoid improper mounting.
- **Field Use:** Be aware of your surroundings and ensure the sight is used in a safe environment.
- **Impact Protection:** The sight features springloaded drop protection; however, avoid dropping or subjecting it to unnecessary impacts.
- **Weather Conditions:** Although the sight is treated for maritimegrade protection, avoid exposing it to extreme conditions for prolonged periods.
- **Aiming:** Always ensure that the sight is properly aligned with your firearm for accurate aiming.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Locate the mounting area on your firearm where the sight will be attached.
- Align the sight with the optical center height of the standard factory AR15 iron sights.
- Secure the sight in place according to the manufacturer's instructions, ensuring it is firmly attached.

### 2. Usage:

- Adjust the elevation using the toolless mechanism for your desired height.
- Transition between the dual apertures (5 mm and 1.7 mm) for closequarters and longrange aiming as needed.
- Maintain a proper cheek weld for stability and accuracy during use.
- After use, ensure the sight is in the folded position to protect it from damage.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Backup Sights Folding Rear Sight, please refer to the manufacturer's contact information provided with the product. Ensure that you have the product details available for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Backup Sights Folding Rear Sight. Thank you for your attention to safety.
