

Backup Sights - Front Sight narrow 1,35/front sight

[Rifle Parts](#) > [Sights](#) > [Front Sights](#)

Reliable Secondary Aiming: The ERATAC 00000-9320 is a high-precision, ultra-reliable mechanical backup iron sight (BUIS). Engineered to mount seamlessly onto any standard Picatinny rail, it provides a flawless sight picture the moment your primary optic fails or gets obstructed.

Duty-Grade Durability: Built to endure the harshest operational conditions, this sight features a robust combination of hardened tool steel and aircraft-grade aluminum, complete with a specialized corrosion-resistant finish for long-lasting field reliability.

Spring-Loaded Flip-Up Design: Equipped with a smart, spring-loaded folding mechanism that keeps the sight safely tucked away and low-profile when not in use. When deployed, it quickly snaps back into a rock-solid, zeroed position.

Optimized Sight Picture: Features a same-plane ghost ring aperture paired with a precise 1.8 mm (0.07") front sight post. This balanced configuration delivers rapid target acquisition and intuitive aiming without cluttering your view.

Versatile Performance: Equally at home in high-speed shooting competitions or rugged military deployments, this premium iron sight is an essential upgrade for any AR-15 setup.

Backup Sights Front Sight Safety Instruction Guide

Introduction

Thank you for choosing the Backup Sights Front Sight, model ERATAC 000009320. This highprecision mechanical backup iron sight is designed for reliable performance in various conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of this sight as per the guidelines provided. This product is designed for nonfood use and does not pose risks covered by other EU laws.
- **Enhanced Recalls:** In the event of product recalls, standardized notices will be provided, and free remedies will be available for any identified dangerous products.
- **Online Shopping:** When purchasing online, you are entitled to the same safety protections as when buying in physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children. This product is not intended for use by children.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EUbased contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system, which provides timely updates.

Specific Safety Precautions for Use

- **Proper Use:** Only use the Backup Sights Front Sight as intended. It is designed for use with firearms that are compatible with Picatinny rails.
- **Avoid Modifications:** Do not alter the sight or its mounting system. Modifications can compromise safety and performance.
- **Regular Inspections:** Inspect the sight regularly for any signs of wear or damage. If any issues are found, discontinue use immediately and seek assistance.
- **Secure Mounting:** Ensure the sight is securely mounted to the firearm before use. A loose sight can lead to inaccurate aiming and potential accidents.
- **Safe Handling:** Always treat firearms with respect and follow all safety protocols associated with firearm handling.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the Picatinny rail on your firearm.
- Align the Backup Sights Front Sight with the rail and slide it into place.
- Secure the sight using the appropriate mounting screws, ensuring it is tight and stable.
- Check the alignment and position to ensure it is properly zeroed before use.

2. Usage:

- When using the sight, ensure it is deployed correctly by flipping it up using the springloaded mechanism.
- Aim using the sameplane ghost ring aperture and the front sight post for optimal target acquisition.

- Practice safe shooting habits and always be aware of your surroundings.

Disposal Instructions

- **Disposal:** Dispose of the product responsibly. Follow local regulations regarding the disposal of metal and aluminum products. Do not dispose of in regular household waste.
- **Recycling:** Consider recycling the product if possible. Check with local recycling facilities for guidelines on metal and aluminum recycling.

Contact Information for Further Support

For any questions or concerns regarding the Backup Sights Front Sight, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for support.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the Backup Sights Front Sight.
