

Picatinny Adapters for Laser Rangefinders - Picatinny Attachment BH35 for Laser Rangefinder

Billet Aluminum Construction: CNC-machined from a single solid block of high-strength aircraft-grade aluminum, ensuring maximum structural rigidity and flawless return-to-zero performance.

Mil-Spec Surface Finish: Treated with a premium, non-reflective Mil-Spec Type III hardcoat anodization for superior scratch, wear, and corrosion resistance under the harshest field conditions.

Precision Dimensions: Features a usable Picatinny rail length of 91.5 mm within a compact overall footprint of 105.5 mm.

Custom Clearance Options: Available in 3 different base heights (BH) to perfectly match your specific optic alignment, cheek weld, or accessory clearance requirements.

Attributes

- Name: Picatinny Attachment BH35 for Laser Rangefinder
- Manufacturer: ERATAC
- Product no.: EU2018048
- Mfr. No.: T0910-0035
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T0910-0035

Safety Instruction Guide for Picatinny Adapters for Laser Rangefinders

Introduction

Thank you for choosing the Picatinny Adapters for Laser Rangefinders. This guide provides essential safety instructions and information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products and accidents to the relevant authorities.
- Stay informed about safety recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Picatinny Adapter only with compatible laser rangefinders.
- Do not exceed the specified weight limit for the adapter.
- Avoid using the adapter in extreme weather conditions or environments that may compromise its integrity.
- Ensure that all components are securely fastened before use to prevent accidental detachment.
- Do not modify the adapter or use it in a way not intended by the manufacturer.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and safe before beginning installation.
- Locate the Picatinny rail on your firearm.
- Align the Picatinny Adapter with the rail, ensuring that it fits securely.
- Use the provided screws to attach the adapter to the rail. Tighten the screws until they are secure but do not overtighten to avoid damaging the rail or adapter.
- Verify that the adapter is firmly attached by gently pulling on it to check for stability.

2. Usage

- After installation, attach your laser rangefinder to the adapter according to the manufacturer's instructions.
- Always check the alignment of your laser rangefinder after installation to ensure accurate usage.
- Store the firearm and adapter in a safe place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Picatinny Adapters for Laser Rangefinders, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety is our priority.
