

Picatinny Adapters for Laser Rangefinders - Picatinny Attachment BH8/55mm, RAL8000 dkl.

Billet Aluminum Construction: CNC-machined from a single solid block of high-strength aircraft-grade aluminum, ensuring maximum structural rigidity and flawless return-to-zero performance.

Mil-Spec Surface Finish: Treated with a premium, non-reflective Mil-Spec Type III hardcoat anodization for superior scratch, wear, and corrosion resistance under the harshest field conditions.

Precision Dimensions: Features a usable Picatinny rail length of 91.5 mm within a compact overall footprint of 105.5 mm.

Custom Clearance Options: Available in 3 different base heights (BH) to perfectly match your specific optic alignment, cheek weld, or accessory clearance requirements.

Attributes

- Name: Picatinny Attachment BH8/55mm, RAL8000 dkl.
- Manufacturer: ERATAC
- Product no.: EU2018049
- Mfr. No.: T0800-0003
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T0800-0003

Safety Instruction Guide for Picatinny Adapters for Laser Rangefinders

Introduction

Thank you for choosing the Picatinny Adapters for Laser Rangefinders. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide thoroughly before use and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always inspect the product before use for any signs of damage or wear.
- Store the product in a safe and dry place when not in use.
- Keep out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The product is made from highstrength aluminum; avoid dropping or subjecting it to excessive force to prevent damage.
 - Improper installation may lead to equipment failure or injury; follow installation instructions carefully.
- **Avoiding Hazards:**
 - Ensure all components are securely attached before use.
 - Do not exceed the recommended weight limits for the Picatinny rail.
 - Use appropriate tools and protective gear during installation.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the Picatinny rail area on your firearm to remove any debris.
- Align the Picatinny Adapter with the rail.
- Use the provided screws to secure the adapter firmly in place, ensuring it is tight but not overtorqued.
- Doublecheck the alignment and stability of the adapter after installation.

2. Usage:

- When attaching a laser rangefinder, ensure it is securely mounted on the Picatinny Adapter.
- Regularly check the tightness of the attachment during use, especially after heavy use or movement.
- Always follow the manufacturer's instructions for the laser rangefinder you are using.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the Picatinny Adapters for Laser Rangefinders. Your safety and satisfaction are our top priorities.
