Picatinny Risers Safety Instruction Guide

Introduction

Thank you for choosing the Picatinny Risers, designed for secure accessory mounting and enhanced optic sightline elevation. This guide provides important safety instructions and precautions to ensure safe and effective use of the product. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the product is compatible with your firearm and accessories before installation.
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect the mount and accessories for signs of wear or damage.
- Store the product in a safe, dry place away from children and unauthorized users.
- Use the product only for its intended purpose and within the specified limits.
- Report any unsafe conditions or accidents involving the product to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for mounted accessories.
- Ensure that all screws and fasteners are securely tightened before use.
- Avoid using the product in extreme weather conditions that could affect performance.
- Use caution when handling the product, as sharp edges may be present.
- If you are unfamiliar with firearm accessories, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any required hardware.
- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.

2. Installation Steps:

- Identify the Picatinny rail on your firearm where the riser will be mounted.
- Align the riser with the desired position on the rail.
- Secure the riser using the provided screws and fasteners. Ensure they are tightened adequately.
- Doublecheck the alignment and stability of the riser before attaching any accessories.

3. Usage Instructions:

- Once installed, attach your tactical accessories (lasers, weapon lights, etc.) to the riser.
- Adjust the optic sights to your preferred height for optimal viewing.
- Regularly verify that all components remain secure during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste; instead, use designated recycling facilities if available.
- Ensure that any accessories or components are also disposed of safely.

Contact Information for Further Support

For any inquiries or concerns regarding the Picatinny Risers, please consult the manufacturer's customer service or your local retailer for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your Picatinny Risers responsibly!
