

T7 System - T7 Picatinny Mount 55mm

The ERATAC T7 Wilcox Picatinny Mount is a heavy-duty solution designed for the secure attachment of compatible accessories onto ERATAC T7 series interfaces. Engineered for high-stress environments, its robust construction ensures dependable, repeatable mounting and precise alignment.

To ensure optimal integration with your weapon system, optics, and accessories, the mount is available in two distinct heights. Typical applications include the installation of laser/light modules, IR pointers, red dot sights, laser rangefinders, and any other Picatinny-compatible equipment. Choosing the appropriate height allows for perfect alignment with your line of sight, creating an ergonomic and highly reliable configuration.

Safety Instruction Guide for T7 System T7 Picatinny Mount 55mm

Introduction

Thank you for choosing the ERATAC T7 Wilcox Picatinny Mount. This heavyduty mount is designed to securely attach compatible accessories to ERATAC T7 series interfaces. To ensure your safety and the optimal performance of this product, please read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the mount is compatible with your weapon system and accessories before installation.
- Inspect the mount for any visible damage or defects before use.
- Keep the mount out of reach of children and vulnerable individuals.
- Do not exceed the weight capacity specified by the manufacturer.
- Use the mount only for its intended purpose and in accordance with these instructions.
- In case of any malfunction or if you suspect the mount is unsafe, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- Ensure that the mount is securely fastened to the Picatinny rail before attaching any accessories.
- Regularly check the tightness of the mount and accessories during use, especially in highstress environments.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Always follow the manufacturer's guidelines for the installation of any accessories attached to the mount.
- Use caution when handling any tools or equipment during installation and maintenance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and ensure you have a clean workspace.
- Verify that the Picatinny rail is clean and free from debris.

2. Installation

- Align the T7 Picatinny Mount with the desired position on the Picatinny rail.
- Use the provided screws to securely fasten the mount to the rail. Ensure that the screws are tightened to the manufacturer's specifications.
- Check for proper alignment and stability before proceeding to attach any accessories.

3. Usage

- Attach compatible accessories such as laser/light modules, IR pointers, or red dot sights to the mount.
- Ensure that all accessories are securely fastened and properly aligned with your line of sight.
- Regularly inspect the mount and accessories during use to ensure they remain secure.

Disposal Instructions

- Dispose of the T7 Picatinny Mount in accordance with local regulations regarding electronic waste and materials.

- Do not dispose of the mount in regular household waste.
- If unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries regarding safety, installation, or general support, please refer to the manufacturer's official website or contact your local distributor.

Thank you for your attention to these safety instructions. Your safety and the effective use of the T7 Picatinny Mount are our top priorities.
