

T7 System - T7-Mount short 34 BH 21 mm

The ERATAC T7 Wilcox Picatinny Mount is a heavy-duty solution designed for the secure attachment of compatible accessories onto ERATAC T7 series interfaces. Engineered for high-stress environments, its robust construction ensures dependable, repeatable mounting and precise alignment.

To ensure optimal integration with your weapon system, optics, and accessories, the mount is available in two distinct heights. Typical applications include the installation of laser/light modules, IR pointers, red dot sights, laser rangefinders, and any other Picatinny-compatible equipment. Choosing the appropriate height allows for perfect alignment with your line of sight, creating an ergonomic and highly reliable configuration.

T7 System T7Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC T7 Wilcox Picatinny Mount. This guide provides essential safety instructions to ensure the safe and effective use of your mount. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the mount is compatible with your weapon system and accessories before use.
- Always follow the manufacturer's recommendations for installation and usage.
- Regularly inspect the mount for signs of wear or damage. Replace if necessary.
- Store the mount in a safe, dry place away from direct sunlight and extreme temperatures.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to the Picatinny rail before use.
- Do not exceed the recommended load capacity of the mount.
- Avoid using the mount in extreme conditions unless specified by the manufacturer.
- Use appropriate protective gear when handling or installing the mount.
- Ensure that all accessories attached to the mount are securely fastened and compatible.
- Regularly check for any loose screws or components during use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your weapon system is unloaded and pointed in a safe direction.
- Identify the appropriate height for your mount based on your line of sight.
- Align the mount with the Picatinny rail and slide it into position.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck that the mount is firmly attached and does not wobble.

2. Usage:

- Before using the weapon system, verify that the mount and all accessories are securely attached.
- Adjust the optics or accessories as needed to achieve the desired alignment.
- Conduct a functionality test to ensure that the mount and attached accessories are operating correctly.
- Always practice safe handling and shooting techniques.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of the mount in household waste unless it is deemed safe to do so.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any safety inquiries or support regarding the T7 Mount, please contact the manufacturer or your local distributor. Ensure to provide details about the product and any specific concerns you may have.

Thank you for following these safety instructions. Your safety and the safe use of the T7 Mount are our top priorities.
