

T7 System - T7-Mount extended 30 BH 23 mm

With the ERATAC T7, Recknagel/ERATAC establishes a new benchmark in the field of modern scope mounts. The T7 combines a radically innovative design with cutting-edge technologies specifically engineered for demanding operations on contemporary precision and service weapons. The result is one of the lightest, most secure, and highly user-friendly block mounts available on the market.

At the core of the T7 are the newly developed ERA-Grip inlays. This technology, specifically designed for riflescopes, ensures an absolutely reliable and rock-solid clamping force—even when subjected to the extreme recoil generated by large calibers.

No scope gluing required: Eliminates the need for adhesives, preventing residue or damage to the tube.

Significantly lower tightening torques: High retention performance is achieved without over-stressing structural components.

Gentle clamping action: Utilizes a specialized "belt principle" that distributes pressure evenly across the main tube.

Thin-walled scope optimization: Provides an ideal and safe mounting solution even for highly sensitive, thin-walled center tubes.

Attributes

- Name: T7-Mount extended 30 BH 23 mm
- Manufacturer: ERATAC
- Product no.: EU2018073
- Mfr. No.: T7023-0023
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T7023-0023

Safety Instruction Guide for T7 System T7Mount Extended 30 BH 23 mm

Introduction

Thank you for choosing the T7 System T7Mount Extended 30 BH 23 mm. This product is designed with innovative technology to ensure safe and effective use in conjunction with your precision and service weapons. This guide provides essential safety instructions, installation guidelines, and disposal information to help you use this product responsibly and safely.

General Safety Guidelines

- **Product Safety:** Ensure that the T7Mount is used according to the instructions provided in this guide to avoid any potential hazards.
- **Enhanced Recalls:** In the unlikely event of a safety concern, recall notices will be standardized and remedies will be provided free of charge.
- **Online Shopping:** When purchasing online, ensure that you buy from reputable sources that comply with safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact, which will be provided by the retailer.
- **Rapid Alerts:** Stay informed about any product safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the T7Mount is compatible with your specific rifle scope before installation.
- Regularly check the mounting for any signs of wear or damage.
- Avoid using the mount with scopes that exceed the recommended caliber specifications.
- Do not attempt to modify or alter the mount in any way, as this could compromise its safety and performance.
- Ensure that the clamping force is securely applied without overtightening, which could damage the scope or mount.
- Always handle the mount with care during installation and removal to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure that the workspace is clean and free from distractions.

2. Installation Steps:

- Remove any existing scope mounts from your firearm.
- Align the T7Mount on the firearm's rail system, ensuring proper fit.
- Secure the mount using the provided screws, ensuring they are not overtightened.
- Use the torque wrench to apply the recommended torque settings as specified in the product specifications.

3. Usage Guidelines:

- After installation, check the stability of the mount by gently shaking the scope.

- Before each use, inspect the mount for any signs of wear or loosening.
- If you experience any issues with the mount during use, cease operation immediately and inspect for damage.

Disposal Instructions

- Dispose of the T7Mount in accordance with local regulations for electronic and metal waste.
- Do not dispose of the mount in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any questions regarding the T7 System T7Mount Extended 30 BH 23 mm, please refer to the retailer from whom you purchased the product. They will provide you with the necessary support and information.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective use of your T7Mount.
