

T7 System - T7-Mount short/30/H15,0/0MOA

With the ERATAC T7, Recknagel/ERATAC establishes a new benchmark in the field of modern scope mounts. The T7 combines a radically innovative design with cutting-edge technologies specifically engineered for demanding operations on contemporary precision and service weapons. The result is one of the lightest, most secure, and highly user-friendly block mounts available on the market.

At the core of the T7 are the newly developed ERA-Grip inlays. This technology, specifically designed for riflescopes, ensures an absolutely reliable and rock-solid clamping force—even when subjected to the extreme recoil generated by large calibers.

No scope gluing required: Eliminates the need for adhesives, preventing residue or damage to the tube.

Significantly lower tightening torques: High retention performance is achieved without over-stressing structural components.

Gentle clamping action: Utilizes a specialized "belt principle" that distributes pressure evenly across the main tube.

Thin-walled scope optimization: Provides an ideal and safe mounting solution even for highly sensitive, thin-walled center tubes.

Attributes

- Name: T7-Mount short/30/H15,0/0MOA
- Manufacturer: ERATAC
- Product no.: EU2018075
- Mfr. No.: T7013-0015
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T7013-0015

Safety Instruction Guide for T7 System T7Mount

Introduction

Thank you for choosing the T7 System T7Mount. This product is designed for modern scope mounting, combining innovative design and advanced technology to ensure optimal performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the T7Mount by following these guidelines:
 - Always read the manufacturer's instructions before use.
 - Inspect the T7Mount for any visible damage before installation.
 - Use the product only for its intended purpose.
 - Keep the product out of reach of children and vulnerable individuals.
 - Store the T7Mount in a dry and safe location when not in use.
 - Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- To ensure safe operation of the T7Mount, please observe the following precautions:
 - **Clamping Force:** Ensure that the clamping force is secure but not overtightened to prevent damage to the scope or mount.
 - **Recoil Management:** Be aware of the recoil generated by the firearm when using the mount. Ensure that the mount is properly secured to handle this force.
 - **ThinWalled Scope Optimization:** Use the T7Mount with thinwalled center tubes only if they are compatible with the mount specifications.
 - **No Adhesives Required:** Avoid using adhesives or glues on the mount or scope to prevent damage.
 - **Regular Maintenance:** Periodically check the mount and scope for any signs of wear or damage, and replace if necessary.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the T7Mount:
 1. **Preparation:**
 - Gather all necessary tools for installation.
 - Ensure that the firearm is unloaded and safe to handle.
 2. **Mounting the Scope:**
 - Align the T7Mount with the mounting points on the firearm.
 - Place the scope into the mount, ensuring it is seated properly.
 3. **Securing the Mount:**
 - Use the provided screws to secure the mount without overtightening.
 - Follow the recommended torque specifications provided by the manufacturer.
 4. **Final Check:**
 - Doublecheck the alignment and security of the scope.
 - Make adjustments as necessary to ensure optimal positioning.
 5. **Usage:**
 - When using the firearm, ensure that you are familiar with its operation and safety features.
 - Always wear appropriate safety gear when handling firearms.

Disposal Instructions

- Dispose of the T7Mount responsibly:
 - Follow local regulations for disposal of nonfood products.
 - If the product is damaged or no longer in use, consider recycling where possible.
 - Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

- For any questions or concerns regarding the T7Mount, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

Thank you for your attention to these safety instructions. Your safety and the performance of your T7Mount are our top priorities.
