

T7 System - T7-Mount short/30/H17,0/20MOA

With the ERATAC T7, Recknagel/ERATAC establishes a new benchmark in the field of modern scope mounts. The T7 combines a radically innovative design with cutting-edge technologies specifically engineered for demanding operations on contemporary precision and service weapons. The result is one of the lightest, most secure, and highly user-friendly block mounts available on the market.

At the core of the T7 are the newly developed ERA-Grip inlays. This technology, specifically designed for riflescopes, ensures an absolutely reliable and rock-solid clamping force—even when subjected to the extreme recoil generated by large calibers.

No scope gluing required: Eliminates the need for adhesives, preventing residue or damage to the tube.

Significantly lower tightening torques: High retention performance is achieved without over-stressing structural components.

Gentle clamping action: Utilizes a specialized "belt principle" that distributes pressure evenly across the main tube.

Thin-walled scope optimization: Provides an ideal and safe mounting solution even for highly sensitive, thin-walled center tubes.

Attributes

- Name: T7-Mount short/30/H17,0/20MOA
- Manufacturer: ERATAC
- Product no.: EU2018076
- Mfr. No.: T7013-2017
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T7013-2017

Safety Instruction Guide for T7 System T7Mount

Introduction

Thank you for choosing the T7 System T7Mount. This product is designed to provide a secure and userfriendly mounting solution for modern riflescopes. To ensure your safety and the proper functioning of the product, please read this guide carefully. It contains important safety information, installation instructions, and contact details for further support.

General Safety Guidelines

- Always ensure that the T7Mount is compatible with your specific scope and firearm before installation.
- Inspect the T7Mount for any signs of damage or wear before each use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for updates on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the clamping force is appropriately adjusted to avoid overstressing structural components.
- Avoid using adhesives or glues on the scope or mount, as this can cause damage.
- Use the T7Mount only for its intended purpose and within the specified limits of your equipment.
- Be aware of the extreme recoil generated by large calibers, and ensure the mount is securely installed to handle such forces.
- Do not modify the T7Mount in any way, as this can compromise its safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure that your workspace is clean and free of clutter.

2. Installation:

- Place the T7Mount on the desired location of your firearm's rail system.
- Align the mount with the scope to ensure proper positioning.
- Use the provided screws to secure the mount to the rail. Ensure that the screws are tightened according to the manufacturer's specifications.
- Check the alignment of the scope and make any necessary adjustments.

3. Usage:

- Before using the firearm, doublecheck that the T7Mount is securely attached and that the scope is properly aligned.
- Always follow safe handling practices when using firearms.
- After each use, inspect the T7Mount and scope for any signs of wear or damage.

Disposal Instructions

- Dispose of the T7Mount in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the T7 System T7Mount, please reach out to the designated contact point provided by the manufacturer. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safe and effective experience with your T7 System T7Mount. Thank you for your attention to safety and compliance.
