

T7 System - T7-Mount short/30/H23,0/0MOA

With the ERATAC T7, Recknagel/ERATAC establishes a new benchmark in the field of modern scope mounts. The T7 combines a radically innovative design with cutting-edge technologies specifically engineered for demanding operations on contemporary precision and service weapons. The result is one of the lightest, most secure, and highly user-friendly block mounts available on the market.

At the core of the T7 are the newly developed ERA-Grip inlays. This technology, specifically designed for riflescopes, ensures an absolutely reliable and rock-solid clamping force—even when subjected to the extreme recoil generated by large calibers.

No scope gluing required: Eliminates the need for adhesives, preventing residue or damage to the tube.

Significantly lower tightening torques: High retention performance is achieved without over-stressing structural components.

Gentle clamping action: Utilizes a specialized "belt principle" that distributes pressure evenly across the main tube.

Thin-walled scope optimization: Provides an ideal and safe mounting solution even for highly sensitive, thin-walled center tubes.

Attributes

- Name: T7-Mount short/30/H23,0/0MOA
- Manufacturer: ERATAC
- Product no.: EU2018077
- Mfr. No.: T7013-0023
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T7013-0023

T7 System T7Mount Safety Instruction Guide

Introduction

Thank you for purchasing the T7 System T7Mount. This guide provides essential safety instructions to ensure the safe use and installation of your product. It is important to read and understand these guidelines before use to avoid any potential hazards.

General Safety Guidelines

- **Product Safety:** The T7Mount is designed for safe use with modern scope mounts. Always ensure that you are using the product according to the guidelines provided.
- **Enhanced Recalls:** In the event of a product recall, follow the instructions provided in the recall notice. You may be eligible for a free remedy.
- **Online Shopping:** If purchased online, ensure that the platform complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact information, which can typically be found on the product packaging or the manufacturer's website.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Avoid OverTightening:** When installing the T7Mount, do not overtighten screws, as this can damage the product and affect its performance.
- **Check Compatibility:** Ensure that the T7Mount is compatible with your specific rifle scope and weapon before installation.
- **Inspect for Damage:** Before each use, inspect the T7Mount for any signs of wear or damage. Do not use if damaged.
- **Proper Handling:** Handle the mount with care to avoid dropping or damaging it, which could lead to failure during use.
- **Follow Manufacturer Instructions:** Always adhere to the installation and usage instructions provided by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation.
- Ensure that the working area is clean and free of obstructions.

2. Installation Steps:

- Place the T7Mount on the designated area of your firearm.
- Align the mount with the scope and ensure it is positioned correctly.
- Using the provided screws, secure the mount to the firearm. Avoid overtightening.
- Ensure the mount is firmly in place and does not move when pressure is applied.

3. Usage:

- Always check the mount's stability before using the firearm.
- If you notice any instability or movement, stop using the firearm immediately and reassess the installation.

Disposal Instructions

- Dispose of the T7Mount in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For further support regarding your T7 System T7Mount, please refer to the manufacturer's contact information, typically found on the product packaging or the manufacturer's website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
