

T7 System - T7 Mount extended/30/H33.0/0MOA

With the ERATAC T7, Recknagel/ERATAC establishes a new benchmark in the field of modern scope mounts. The T7 combines a radically innovative design with cutting-edge technologies specifically engineered for demanding operations on contemporary precision and service weapons. The result is one of the lightest, most secure, and highly user-friendly block mounts available on the market.

At the core of the T7 are the newly developed ERA-Grip inlays. This technology, specifically designed for riflescopes, ensures an absolutely reliable and rock-solid clamping force—even when subjected to the extreme recoil generated by large calibers.

No scope gluing required: Eliminates the need for adhesives, preventing residue or damage to the tube.

Significantly lower tightening torques: High retention performance is achieved without over-stressing structural components.

Gentle clamping action: Utilizes a specialized "belt principle" that distributes pressure evenly across the main tube.

Thin-walled scope optimization: Provides an ideal and safe mounting solution even for highly sensitive, thin-walled center tubes.

Attributes

- Name: T7 Mount extended/30/H33.0/0MOA
- Manufacturer: ERATAC
- Product no.: EU2018086
- Mfr. No.: T7023-0033
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T7023-0033

Safety Instruction Guide for T7 System T7 Mount

Introduction

Thank you for choosing the T7 System T7 Mount. This product is designed to provide a secure and reliable mounting solution for your riflescope. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe use, installation, and disposal of the T7 Mount, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This product has been designed to meet safety standards for nonfood items and is intended for use with modern precision and service weapons.
- **Enhanced Recalls:** In the event of a safety issue, standardized recall notices will be provided, along with free remedies for any dangerous products.
- **Online Shopping:** The same safety protections apply to purchases made online as those made in physical stores. Ensure that the online platform meets safety requirements.
- **Special Consumer Focus:** Extra precautions have been taken to ensure the safety of vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, an EU-based contact point is available.
- **Rapid Alerts:** Stay informed about unsafe products through updates provided by the Safety Gate system.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by adults only. Keep out of reach of children.
- **Inspect Before Use:** Always inspect the T7 Mount for damage or wear before installation. Do not use if any parts are damaged.
- **Proper Handling:** Handle the mount carefully to avoid any injuries during installation or adjustment.
- **Secure Installation:** Ensure that the mount is installed securely to prevent accidental dislodging during use.
- **Avoid Overtightening:** Follow the manufacturer's guidelines for tightening torques to avoid damaging the mount or the rifle.
- **Use of Correct Tools:** Always use the appropriate tools for installation and adjustments to ensure safety and effectiveness.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all necessary tools and components before starting the installation.
- Read the installation manual thoroughly to familiarize yourself with the components.

2. Installation Steps:

- **Step 1:** Place the T7 Mount on the rifle's receiver, aligning it with the mounting points.
- **Step 2:** Insert screws into the designated holes and handtighten them to secure the mount in place.
- **Step 3:** Using a torque wrench, tighten the screws to the specified torque settings provided in the installation manual. Avoid overtightening.
- **Step 4:** Once installed, check the stability of the mount by gently shaking it. It should not move or shift.

3. Usage:

- After installation, attach your riflescope to the T7 Mount according to the scope's instructions.
- Regularly check the mount and scope for any signs of loosening or wear during use.

Disposal Instructions

- Dispose of the T7 Mount in accordance with local regulations for electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If possible, return the product to the manufacturer or retailer for proper recycling.

Contact Information for Further Support

For any questions or concerns regarding the T7 Mount, please refer to the manufacturer's website or contact their customer service for assistance. Ensure that you have the product details available for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with your T7 System T7 Mount. Thank you for your attention to these important guidelines.
