

T7 System - T7 Mount extended/34/H33.0/20MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

With the ERATAC T7, Recknagel/ERATAC establishes a new benchmark in the field of modern scope mounts. The T7 combines a radically innovative design with cutting-edge technologies specifically engineered for demanding operations on contemporary precision and service weapons. The result is one of the lightest, most secure, and highly user-friendly block mounts available on the market.

At the core of the T7 are the newly developed ERA-Grip inlays. This technology, specifically designed for riflescopes, ensures an absolutely reliable and rock-solid clamping force—even when subjected to the extreme recoil generated by large calibers.

No scope gluing required: Eliminates the need for adhesives, preventing residue or damage to the tube.

Significantly lower tightening torques: High retention performance is achieved without over-stressing structural components.

Gentle clamping action: Utilizes a specialized "belt principle" that distributes pressure evenly across the main tube.

Thin-walled scope optimization: Provides an ideal and safe mounting solution even for highly sensitive, thin-walled center tubes.

Attributes

- Name: [T7 Mount extended/34/H33.0/20MOA](#)
- Manufacturer: [ERATAC](#)
- Product no.: EU2018091
- Mfr. No.: T7024-2033
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T7024-2033

T7 System T7 Mount Safety Instruction Guide

Introduction

Thank you for choosing the T7 System T7 Mount. This product is designed to provide a secure and reliable mounting solution for your riflescope. To ensure safe use and optimal performance, please read this safety instruction guide carefully. It contains important information regarding product safety, usage, installation, and disposal.

General Safety Guidelines

- **Product Safety:** The T7 Mount is engineered to meet safety standards for nonfood products. Ensure that you use the mount according to the instructions provided.
- **Enhanced Recalls:** Stay informed about any recalls related to the T7 Mount. Follow the procedures outlined in recall notices if applicable.
- **Online Shopping:** If you purchased the T7 Mount online, ensure that the seller meets the same safety requirements as physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries regarding the T7 Mount, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to scope misalignment or detachment.
 - Excessive tightening can damage the scope or mount.
 - Ensure that the mount is compatible with your specific riflescope model.
- **Instructions for Avoiding Hazards:**
 - Always follow the installation instructions provided in this guide.
 - Avoid using excessive force when tightening screws.
 - Regularly inspect the mount for signs of wear or damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have all necessary tools before beginning installation.
- Place the T7 Mount on the intended location of your rifle's rail.
- Align the mount with the scope's mounting rings.
- Use the provided screws to secure the mount to the rifle rail. Tighten screws gently to avoid overstressing the components.
- Check that the mount is securely fastened and the scope is aligned properly.

2. Usage:

- After installation, ensure that the scope is properly zeroed before use.
- Regularly check the mount's tightness and alignment, especially after heavy use or transportation.
- Be mindful of the rifle's recoil, as it can affect the mount's stability.

Disposal Instructions

- When disposing of the T7 Mount, follow local regulations regarding electronic and mechanical waste.
- Do not dispose of the mount in regular household waste.
- Consider recycling the mount if possible.

Contact Information for Further Support

For additional support or inquiries regarding the T7 Mount, please refer to the manufacturer's contact information provided on the product packaging or website.

By following these safety instructions, you can ensure the safe and effective use of your T7 System T7 Mount. Thank you for your attention to these important guidelines.
