Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or adjusting the grips.
- Inspect the grips for any signs of damage or wear before use.
- Ensure a secure fit of the grips to prevent slipping during handling.
- Use the grips only for the intended firearm models (CZ Shadow 2, SP01).
- Do not modify the grips in any way, as this may compromise safety.
- Avoid exposing the grips to extreme temperatures or harsh chemicals that may degrade the material.
- Always handle firearms responsibly and in accordance with local laws and regulations.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from the firearm using the appropriate tools.
- Align the MaXXXGrip grips with the grip frame of the firearm.
- Secure the grips using the provided screws, ensuring they are tightened adequately but not overtightened to avoid damaging the grips.

2. Usage:

- When drawing the firearm, allow the aggressive side checkering to guide your hand upward naturally.
- Maintain a high, tight, and consistent master grip on the firearm for optimal control.
- Regularly check the grips for tightness and signs of wear during use.

Disposal Instructions

- Dispose of the grips in accordance with local waste disposal regulations.
- If the grips are damaged or no longer usable, consider recycling options where available.

- Do not dispose of the grips in regular household waste if they contain hazardous materials.
