

Bullet Feeder | Gen2 (Dillon Precision, .223 Rem)

Upgrade your production with our new and improved electronic bullet feeding system, specifically engineered for Dillon reloading presses. Featuring a rugged, injection-molded design, this system integrates smart automation with industrial-grade reliability. With advanced optical sensors, automated jam clearance, and a high-capacity collator holding up to 250 rounds of 9mm, it is designed to maximize your hourly output and eliminate reloading bottlenecks.

Attributes

- Name: Armanov Bullet Feeder | Gen2 (Dillon Precision, .223 Rem)
- Manufacturer: ARMANOV
- Product no.: EU2018239
- Mfr. No.: ABFG2D223
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Armanov Bullet Feeder | Gen2 Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Bullet Feeder | Gen2, designed specifically for Dillon reloading presses. This electronic bullet feeding system enhances your reloading efficiency while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper use of the product and to ensure safe operation.

General Safety Guidelines

- Ensure that the bullet feeder is used only with compatible Dillon reloading presses.
- Keep the bullet feeder and its components out of reach of children and vulnerable individuals.
- Regularly inspect the bullet feeder for any signs of damage or wear before each use.
- Always follow the manufacturer's instructions when setting up and operating the bullet feeder.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay updated on product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not operate the bullet feeder if it is damaged or malfunctioning.
- Avoid placing your hands near the feeding mechanism while the system is in operation.
- Ensure that the working area is clean and free from obstructions to prevent accidents.
- Use only the recommended types of bullets as specified by the manufacturer.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when operating the bullet feeder.
- Do not attempt to modify or repair the bullet feeder without proper training and authorization.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the bullet feeder from the packaging and check for any visible damage.
2. **Select a Suitable Location:** Place the bullet feeder on a stable, flat surface close to your Dillon reloading press.
3. **Connect Power Supply:** Plug the bullet feeder into a suitable power outlet, ensuring that the voltage matches the specifications provided.
4. **Attach to Reloading Press:** Securely attach the bullet feeder to the Dillon reloading press following the manufacturer's guidelines.

Usage

1. **Power On:** Turn on the bullet feeder using the designated power switch.
2. **Load Bullets:** Fill the collator with the appropriate bullets, ensuring not to exceed the maximum capacity of 250 rounds.
3. **Select Settings:** Adjust the settings according to your reloading requirements using the control panel.
4. **Start Feeding:** Activate the bullet feeding system and monitor its operation for any irregularities.
5. **Jam Clearance:** If a jam occurs, follow the automated jam clearance instructions provided in the user manual.
6. **Power Off:** After use, turn off the bullet feeder and disconnect it from the power supply.

Disposal Instructions

- Dispose of the bullet feeder and any electronic components in accordance with local regulations for electronic waste.
- Do not dispose of the bullet feeder in regular household waste.
- Ensure that all bullets and reloading materials are disposed of safely and in compliance with local laws.

Contact Information for Further Support

For any inquiries regarding safety, operation, or maintenance of the Armanov Bullet Feeder | Gen2, please refer to the manufacturer's customer support resources. Ensure you have your product details available when seeking assistance.

By following these safety guidelines and instructions, you can ensure a safe and efficient reloading experience with the Armanov Bullet Feeder | Gen2. Thank you for your attention to safety and for choosing our product.
