Armanov Bullet Feeder | Gen2 Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Bullet Feeder | Gen2. This electronic bullet feeding system is designed to enhance your reloading experience with the Frankford Arsenal X10 progressive reloading press. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always read the user manual before operating the product.
- Ensure that the product is used in accordance with its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Do not attempt to modify or repair the product yourself; contact a professional for assistance.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Electrical Safety:**
 - Ensure that the power supply is compatible with the product specifications.
 - Do not use the product in wet or damp conditions.
 - Avoid overloading electrical outlets.
- **Operational Safety:**
 - Do not operate the bullet feeder while distracted or under the influence of substances that impair your judgment.
 - Always keep hands and clothing away from moving parts during operation.
 - Ensure that the area around the product is clear of obstructions.
- **Material Safety:**
 - Use only compatible bullet types as specified in the user manual.
 - Handle bullets with care to prevent accidental discharge.
- **Maintenance Safety:**
 - Disconnect the power supply before performing any maintenance or cleaning.
 - Use only manufacturerapproved cleaning products and tools.

Instructions for Installation and Usage

1. Installation:

- Unpack the Armanov Bullet Feeder | Gen2 and check for any visible damage.
- Place the bullet feeder on a stable and level surface.
- Connect the power supply as per the specifications provided in the user manual.
- Ensure that the collator is securely attached and can hold up to 250 rounds of 9mm bullets.

2. **Usage:**

- Load the bullet feeder with the appropriate bullets according to the user manual.
- Turn on the power supply and allow the system to initialize.
- Monitor the operation for any jams or malfunctions, using the automated jam clearance feature if necessary.
- Follow the recommended operating procedures for optimal performance.

3. **PostUsage:**

- After use, turn off the power supply and disconnect it.
- Clean the bullet feeder as recommended in the maintenance section of the user manual.

Disposal Instructions

- Dispose of the Armanov Bullet Feeder | Gen2 in accordance with local regulations for electronic waste.
- Remove any batteries or power supplies before disposal.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Armanov Bullet Feeder | Gen2, please refer to the contact information provided in the user manual. Ensure to reach out for assistance if you encounter any issues or require further clarification on safe usage.

By following these safety instructions, you can ensure a safe and efficient experience with your Armanov Bullet Feeder | Gen2. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
