

Buffer (AR15 (.223 REM / 5.56 NATO, 300 BLK))

Master your muzzle control with the Armanov Recoil-Reduction Buffer, engineered to significantly dampen felt recoil and muzzle rise. This advanced system enhances precision and split-times during rapid follow-up shots or full-auto operation. Featuring an innovative counterweight mechanism that dynamically shifts mass in the opposite direction of the bolt carrier, it eliminates bolt bounce and softens the cycling impulse. Designed for a perfect drop-in fit inside standard A2 buffer tubes, it allows for quick disassembly, effortless maintenance, and precise fine-tuning using the supplied wrenches and custom tuning weights (metal beads).

Attributes

- Name: Armanov Buffer (AR15 (.223 REM / 5.56 NATO, 300 BLK))
- Manufacturer: ARMANOV
- Product no.: EU2018259
- Mfr. No.: ABUFAR15
- Colour: Silver
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Armanov Buffer Safety Instructions

Introduction

Thank you for choosing the Armanov Buffer (AR15 .223 REM / 5.56 NATO, 300 BLK). This product is designed to enhance your shooting experience by providing superior recoil reduction and improved muzzle control. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure that the product is used in accordance with all local laws and regulations.
- Store the Armanov Buffer in a secure location, away from children and unauthorized users.
- Regularly inspect the buffer for any signs of wear or damage before each use.
- Follow all safety instructions provided by the firearm manufacturer.

Specific Safety Precautions for Use

- Only use the Armanov Buffer with compatible firearms as specified in the product description.
- Do not attempt to modify the buffer or its components.
- Always wear appropriate personal protective equipment (PPE), including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the buffer if it appears damaged or has been involved in a malfunction.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to handle before starting the installation.
- Remove the existing buffer from the buffer tube according to the firearm manufacturer's instructions.
- Insert the Armanov Buffer into the standard A2 buffer tube, ensuring it is seated properly.
- Reassemble the firearm according to the manufacturer's guidelines.

2. Usage:

- Familiarize yourself with the buffer's features and operation before use.
- During shooting, maintain a firm grip on the firearm to enhance control.
- Monitor the performance of the buffer during use; if you notice any unusual behavior, stop using the buffer immediately and inspect it.

Disposal Instructions

- Dispose of the Armanov Buffer and any associated components responsibly.
- Follow local regulations regarding the disposal of firearm accessories.
- If the buffer is damaged or no longer usable, consider recycling materials when possible.

Contact Information for Further Support

For any questions or concerns regarding the Armanov Buffer, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your enhanced shooting

experience with the Armanov Buffer!
