

Buffer (PCC)

Master your muzzle control with the Armanov Recoil-Reduction Buffer, engineered to significantly dampen felt recoil and muzzle rise. This advanced system enhances precision and split-times during rapid follow-up shots or full-auto operation. Featuring an innovative counterweight mechanism that dynamically shifts mass in the opposite direction of the bolt carrier, it eliminates bolt bounce and softens the cycling impulse. Designed for a perfect drop-in fit inside standard A2 buffer tubes, it allows for quick disassembly, effortless maintenance, and precise fine-tuning using the supplied wrenches and custom tuning weights (metal beads).

Attributes

- Name: Armanov Buffer (PCC)
- Manufacturer: ARMANOV
- Product no.: EU2018260
- Mfr. No.: ABUFPC
- Colour: Silver
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Armanov Buffer (PCC) Safety Instruction Guide

Introduction

Thank you for choosing the Armanov RecoilReduction Buffer. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always handle the Armanov Buffer with care to avoid injury.
- Ensure that the buffer is compatible with your firearm before installation.
- Regularly inspect the buffer for signs of wear or damage.
- Keep the buffer and all related components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use the Armanov Buffer only with compatible A2 buffer tubes.
- Do not modify the buffer or its components in any way.
- Ensure that the buffer is securely installed before using your firearm.
- Avoid using the buffer in extreme conditions that may affect its performance, such as excessive heat or moisture.
- If you experience any unusual behavior when using your firearm with the buffer, cease use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing buffer from your A2 buffer tube.
- Insert the Armanov Buffer into the buffer tube, ensuring a snug fit.
- Replace the buffer retaining pin to secure the buffer in place.
- Verify that the buffer operates smoothly by cycling the action of your firearm manually.

2. Usage

- Always wear appropriate eye and ear protection when operating your firearm.
- Familiarize yourself with your firearm's operation and safety features before using the Armanov Buffer.
- Practice safe firearm handling at all times, including keeping your finger off the trigger until ready to shoot.
- Monitor the performance of your firearm with the buffer during use, and make adjustments as necessary.

Disposal Instructions

- Dispose of the Armanov Buffer in accordance with local regulations.
- Do not dispose of the buffer in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support
