Armanov Buffer Unicount LED Cable Safety Instructions

Introduction

Thank you for choosing the Armanov Buffer Unicount LED Cable for the Armanov Quick Change Toolhead Assembly for Dillon 1050/1100. This product is designed to enhance your reloading experience. Please read this safety instruction guide carefully to ensure the safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the product is used in accordance with the specifications provided.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the cable.
- If the product appears damaged or malfunctioning, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the LED cable only with compatible Armanov Quick Change Toolhead Assemblies for Dillon 1050/1100.
- Do not expose the cable to extreme temperatures or moisture.
- Avoid using the product in environments where it may be subjected to physical damage.
- Ensure that all connections are secure before operating the toolhead assembly.
- Do not attempt to repair or modify the cable yourself; contact a professional if repairs are needed.

Instructions for Installation and Usage

1. Installation

- Unpack the Armanov Buffer Unicount LED Cable from its packaging.
- Inspect the cable for any visible damage before installation.
- Connect the LED cable to the designated port on the Armanov Quick Change Toolhead Assembly.
- Ensure that all connections are firmly in place and that there are no loose ends.

2. Usage

- Power on the Dillon 1050/1100 reloading press to activate the LED cable.
- Monitor the LED indicator for proper functionality.
- If the LED does not light up, check all connections and ensure the press is powered on.
- Follow the operational guidelines for the Dillon 1050/1100 reloading press to ensure safe usage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the LED cable in regular household waste.
- Check with local authorities or waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Armanov Buffer Unicount LED Cable, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety is our priority.
