

Buffer - Aluminium Ring Indexer for Dillon XL750

Eliminate a notorious weak point on your press. Introducing our upgraded Ring Indexer for the Dillon XL750 (replaces OEM part #75105). Precision-engineered from lightweight, aircraft-grade aluminum, this upgrade delivers superior structural strength and long-term durability where the factory polymer part falls short.

To ensure flawless operation, the indexer features an integrated custom plain bearing machined from specialized IGUS iglide® high-performance polymer, guaranteeing an ultra-smooth, self-lubricating sliding motion.

Attributes

- Name: Aluminium Ring Indexer for Dillon XL750
- Manufacturer: ARMANOV
- Product no.: EU2018265
- Mfr. No.: ARIXL750
- Colour: Silver
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Safety Instruction Guide for Armanov Buffer Aluminium Ring Indexer for Dillon XL750

Introduction

Thank you for choosing the Armanov Buffer Aluminium Ring Indexer for your Dillon XL750 reloading press. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe and effective operation. Please read this guide carefully before using the product.

General Safety Guidelines

To ensure safe use of the Armanov Buffer Aluminium Ring Indexer, please adhere to the following safety guidelines:

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Do not use the product if it is damaged or malfunctioning.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the Armanov Buffer Aluminium Ring Indexer, please observe the following precautions:

- Ensure that the press is in a stable position before installation.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while working.
- Avoid placing hands or fingers near moving parts during operation.
- Do not exceed the recommended load limits of the indexer.
- Follow all local laws and regulations regarding the use of reloading equipment.

Instructions for Installation and Usage

To ensure proper installation and safe operation of the Armanov Buffer Aluminium Ring Indexer, follow these steps:

Installation Instructions

1. Prepare the Workspace:

- Ensure your workspace is clean and free of clutter.
- Gather all necessary tools for installation.

2. Remove the OEM Part:

- Disconnect the Dillon XL750 from any power source.
- Carefully remove the factory polymer part (OEM part #75105) from the press.

3. Install the Armanov Buffer Aluminium Ring Indexer:

- Align the new indexer with the mounting points on the press.
- Securely fasten the indexer using the provided screws or hardware.
- Ensure that the indexer is properly aligned and does not obstruct any moving parts.

4. Check for Proper Operation:

- Reconnect the Dillon XL750 to the power source.
- Run a few test cycles to ensure the indexer operates smoothly without any unusual noises or resistance.

Usage Instructions

- Always follow the Dillon XL750 operating instructions while using the indexer.
- Monitor the performance of the indexer during operation.
- If you notice any irregularities, stop using the press immediately and inspect the indexer for issues.

Disposal Instructions

When the Armanov Buffer Aluminium Ring Indexer reaches the end of its life or if you decide to dispose of it, please follow these guidelines:

- Do not dispose of the product with regular household waste.
- Check local regulations for proper disposal methods for aluminum and polymer materials.
- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Armanov Buffer Aluminium Ring Indexer, please reach out to the manufacturer or authorized distributor for assistance. Always ensure you have the product details and any relevant information ready for efficient support.

By following these safety instructions, you can ensure a safe and effective experience with your Armanov Buffer Aluminium Ring Indexer for Dillon XL750. Thank you for your attention to safety and enjoy your reloading experience!
