

Sportster Ultralight Rifle Stock (Black Anodized)

Trim weight, maximize control. The Armanov Sportster Ultralight Rifle Stock is an exceptionally lightweight, high-performance stock engineered for the AR platform. Precision CNC-machined from a single solid billet of aircraft-grade aluminum, the entire assembly weighs a mere 284 g (10 oz)—and that includes the integrated buffer tube.

Featuring an aggressive, skeletonized ported design, it blends a distinctive tactical aesthetic with maximum weight reduction. For shooter comfort, it integrates a dense foam cheek pad and an enlarged, ergonomic buttplate designed for superior recoil distribution and fast mounting.

Armanov Sportster Ultralight Rifle Stock Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Sportster Ultralight Rifle Stock. This guide provides essential safety instructions to ensure the safe use and maintenance of your rifle stock. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and follow all applicable laws and regulations.
- Ensure the rifle stock is compatible with your firearm model before installation.
- Inspect the rifle stock for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Weight Consideration:** The stock is designed to be lightweight. Ensure that your firearm is balanced and comfortable to handle when using the stock.
- **Recoil Management:** The ergonomic buttplate is designed for recoil distribution. Always maintain a firm grip on the firearm during use.
- **Cheek Pad:** The dense foam cheek pad is designed for comfort. Ensure it is properly positioned to avoid discomfort during shooting.
- **Skeletal Design:** The aggressive, skeletonized design may have sharp edges. Handle with care to avoid cuts or abrasions.
- **Tactical Use:** This stock is designed for tactical applications. Always use it in a safe and controlled environment.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the Armanov Sportster Ultralight Rifle Stock with the buffer tube.
- Securely attach the stock to the firearm using the appropriate screws or fasteners.
- Verify that the stock is firmly attached and does not wobble.

2. Usage

- Adjust the cheek pad and buttplate for a comfortable fit.
- Practice proper shooting stance and grip.
- Regularly check the stock and attachment points for any signs of wear or loosening.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- When disposing of the stock, ensure that it is rendered unusable to prevent unauthorized use.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact the manufacturer or authorized dealer. Ensure you have product details ready for assistance.

Thank you for prioritizing safety while using the Armanov Sportster Ultralight Rifle Stock. Your adherence to these guidelines will help ensure a safe and enjoyable shooting experience.
