Safety Instruction Guide for ARMANOV Aluminum Ball Bearing Roller Handle

Introduction

Thank you for choosing the ARMANOV Aluminum Ball Bearing Roller Handle for your Dillon XL650, XL750, and RL550 presses. This product is designed to enhance your reloading experience by providing improved comfort and control. To ensure safe use and maximize the benefits of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Inspect the handle for any damage before each use. Do not use if damaged.
- Ensure that the handle is securely attached before operating your reloading press.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to accidents or malfunctions.
 - Using excessive force during operation can damage the handle or press.
 - Inadequate maintenance may result in wear or failure of the handle.
- **Avoiding Hazards:**
 - Ensure that the handle is compatible with your specific Dillon model.
 - Follow all installation instructions carefully.
 - Do not exceed the recommended force during operation.
 - Regularly clean and maintain the handle to prevent buildup of debris.
- **Agespecific Warnings:**
 - This product is intended for adult use only. Keep away from children.

Instructions for Installation and Usage

1. Installation:

- Begin by disconnecting your Dillon press from any power source.
- Remove the existing operating handle by loosening the securing screws.
- Align the ARMANOV Aluminum Ball Bearing Roller Handle with the mounting location.
- Securely fasten the handle using the provided screws. Ensure it is tightly fitted.

2. Usage:

- Before operating, ensure that the handle moves freely without obstruction.
- Use a smooth and controlled motion when operating the handle.
- Avoid using excessive force to prevent damage to the handle or press.

3. Maintenance:

- Regularly inspect the handle for signs of wear or damage.
- Clean the handle with a soft cloth to remove dirt and debris.
- Lubricate the ball bearings periodically to ensure smooth operation.

Disposal Instructions

- Dispose of this product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support
