Ball Bearing Roller Handle for Dillon XL650/XL750, RL550, and Square Deal B

Safety Instruction Guide

Introduction

Thank you for choosing the Ball Bearing Roller Handle for your Dillon reloading press. This ergonomic upgrade is designed to enhance your reloading comfort and control. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children to prevent accidents.
- Regularly inspect the product for signs of wear or damage before each use.
- If you notice any irregularities during use, stop immediately and assess the situation.
- Report any unsafe product incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the handle only with compatible Dillon reloading presses: XL650, XL750, RL550, and Square Deal B.
- Avoid excessive force when operating the handle to prevent injury or damage to the press.
- Ensure that your hands are dry and free of any substances that may cause slipping.
- Do not modify the handle or use it in ways not specified in the user manual.
- Always wear appropriate personal protective equipment (PPE) when reloading, including safety glasses.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Remove the existing operating handle from your Dillon press by unscrewing it.
- Align the new Ball Bearing Roller Handle with the mounting point on the press.
- Secure the handle in place by tightening the screw until it is snug, but do not overtighten.
- Confirm that the handle moves freely and smoothly before proceeding.

2. Usage:

- Hold the roller grip with a firm but comfortable grip.
- Operate the handle in a smooth and controlled manner to maintain precision.
- If you experience resistance, stop and check for any obstructions or misalignments.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the product in household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or support related to the Ball Bearing Roller Handle, please refer to the manufacturer's website or contact the retailer from whom you purchased the product.

By following these guidelines, you can ensure safe and effective use of your Ball Bearing Roller Handle,

enhancing your reloading experience while maintaining compliance with the EU General Product Safety Regulation. Thank you for your attention to safety!
