Safety Instruction Guide for ARMANOV Case Bin Stopper for Dillon Case Bin

Introduction

Thank you for choosing the ARMANOV Case Bin Stopper for Dillon Case Bin. This product is designed to enhance the safety and functionality of your reloading setup. Please read this safety instruction guide carefully to ensure safe use and proper installation.

General Safety Guidelines

- Always use the Case Bin Stopper according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Case Bin Stopper for any signs of wear or damage. Replace if necessary.
- Do not use the product for any purpose other than intended.
- In case of a malfunction or if you suspect the product is unsafe, cease use immediately and report the issue.

Specific Safety Precautions for Use

- Ensure that the Case Bin Stopper is securely fitted to the Cartridge Collection Bin before use.
- Avoid overfilling the Cartridge Collection Bin to prevent spillage and potential accidents.
- Do not attempt to modify or alter the Case Bin Stopper in any way.
- When handling cartridges or ammunition, follow all safety protocols relevant to reloading practices.
- Store the Case Bin Stopper in a dry and cool place to prevent deterioration.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Cartridge Collection Bin is clean and free from debris.
- Align the Case Bin Stopper with the front of the Cartridge Collection Bin.
- Firmly press the Case Bin Stopper into place until it is secure.
- Verify that the stopper is properly fitted and does not obstruct the bin's function.

2. Usage:

- When the Cartridge Collection Bin is nearing full capacity, the Case Bin Stopper will prevent rounds from rolling out.
- If you need to stack multiple bins, the design allows for this without removing the stopper.
- Monitor the bin regularly to ensure it does not exceed its capacity.

Disposal Instructions

- Dispose of the Case Bin Stopper in accordance with local regulations.
- If the product is damaged or no longer in use, recycle the aluminum material where facilities exist.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
