

CASE BIN STOPPER FOR DILLON CASE BIN - A1/A2 Buffer Tube - Mil spec

Strengthen your rifle's foundation. Engineered for the AR-15 platform, this A2 rifle-length buffer tube delivers a perfect balance of lightweight performance and rugged, duty-grade durability. Precision-machined from high-strength aluminum, it provides a rock-solid mounting platform for fixed stocks while ensuring flawless carrier group cycling and long-term reliability.

Premium Metallurgy: Precision-machined from high-grade aluminum with a durable matte finish to resist wear and corrosion.

Platform Compatibility: Universal fit for standard AR-15 and AR-10/SR-25 style receivers utilizing fixed rifle-length setups.

Stock Compatibility: Optimized for standard A2 fixed stocks, modern skeletonized competition stocks (like the Armanov Sportster), and compatible precision rifle chassis.

Ultra-Lightweight Rigidity: Engineered to minimize weight at the rear of the firearm without sacrificing structural integrity under heavy recoil.

ARMANOV Case Bin Stopper for Dillon Case Bin A1/A2 Buffer Tube Mil Spec

Safety Instruction Guide

Introduction

Thank you for choosing the ARMANOV Case Bin Stopper for Dillon Case Bin A1/A2 Buffer Tube. This product is designed to enhance the performance of your AR15 platform rifle while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and maintain this product safely.

General Safety Guidelines

- Ensure that all components of your rifle, including the ARMANOV Case Bin Stopper, are installed correctly and securely.
- Always handle firearms responsibly and follow all local laws and regulations regarding firearm safety.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Only use the ARMANOV Case Bin Stopper with compatible fixed stocks and rifles as specified.
- Ensure that the rifle is unloaded before installation or maintenance.
- Do not exceed the manufacturer's specifications for weight or usage, as this may compromise safety.
- Always wear appropriate safety gear, such as eye protection, when operating firearms.
- Avoid using the product in extreme conditions (e.g., high humidity, extreme temperatures) that may affect its performance.

Instructions for Installation and Usage

1. Installation

- Ensure your rifle is unloaded and pointed in a safe direction.
- Remove the existing buffer tube if necessary, following the manufacturer's instructions.
- Align the ARMANOV Case Bin Stopper with the mounting area on the rifle.
- Securely attach the stopper using the provided hardware, ensuring all screws are tightened to the recommended torque specifications.
- Doublecheck the installation for stability before use.

2. Usage

- After installation, test the rifle to ensure proper cycling of the carrier group.
- Regularly check the stopper for tightness and integrity during routine maintenance.
- If you notice any unusual sounds or performance issues while using the rifle, stop using it immediately and inspect the installation.

Disposal Instructions

- Dispose of the ARMANOV Case Bin Stopper in accordance with local regulations for aluminum products.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents any risk of injury or environmental harm.

Contact Information for Further Support

For safety inquiries or further assistance regarding the ARMANOV Case Bin Stopper, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for prioritizing safety and responsible use. Enjoy your enhanced shooting experience with the ARMANOV Case Bin Stopper!
