ARMANOV CASE BIN STOPPER FOR DILLON CASE BIN

Safety Instruction Guide

Introduction

Thank you for choosing the ARMANOV Case Bin Stopper for Dillon Case Bin. This highquality replacement part is designed to enhance the performance of your Dillon RL550 reloading press. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the reloading press is turned off and unplugged before installing or replacing any parts.
- Use the product only as intended. This part is specifically designed for the Dillon RL550 progressive reloading press.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage. Replace it immediately if any signs of wear are detected.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the reloading press.
- Be cautious of any sharp edges on the product during installation and handling.
- Do not exceed the recommended load capacity of your reloading press, as this may cause malfunction or damage.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the Dillon RL550 reloading press is turned off and unplugged.
- Gather necessary tools for installation.

2. Remove the Old Part:

- Carefully detach the worn or damaged factory part from the reloading press.
- Dispose of the old part according to local regulations.

3. Install the New Stopper:

- Align the ARMANOV Case Bin Stopper with the designated slot on the Dillon RL550.
- Insert the stopper firmly into place, ensuring it fits snugly.

4. Check Installation:

- Verify that the stopper is securely installed and there is no movement.
- Reconnect the reloading press and perform a test run to ensure proper functionality.

Usage

- Follow the manufacturer's instructions for operating the Dillon RL550 reloading press.
- Monitor the operation of the press during use to ensure that the stopper functions correctly.
- If you notice any unusual sounds or performance issues, stop using the press immediately and inspect the product.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not throw the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the ARMANOV Case Bin Stopper, please refer to the manufacturer's website or customer support resources for assistance.

By following these safety guidelines and instructions, you can ensure the safe and efficient use of the ARMANOV Case Bin Stopper for Dillon Case Bin, contributing to the longevity and performance of your reloading press. Thank you for your attention to safety.
