

Aluminium Case Plunger for Frankford Arsenal X-10 (#2)

Eliminate flex and ensure flawless case feeding. Upgrade your Frankford Arsenal X-10 progressive reloading press with this premium aluminum case plunger. Precision-engineered to replace the factory plastic component, this upgrade delivers enhanced rigidity, ultra-smooth cycling, and exceptional longevity where the original part is prone to wear and flexing.

Aircraft-Grade Metallurgy: CNC-machined from high-strength 6082 Aluminum for maximum structural integrity and wear resistance.

Flawless Case Feeding: Eliminates the mechanical flex of the stock plastic part, ensuring positive, consistent, and well-timed case insertion into the shellplate.

Micro-Adjustable Design: Fully adjustable profile allows you to fine-tune the plunger's travel and alignment to perfectly match your specific caliber setup.

Drop-In Installation: Engineered as a direct, hassle-free replacement that installs quickly using your press's original factory screws.

Targeted Compatibility: Custom-tailored specifically for the Frankford Arsenal X-10 reloading press.

Attributes

Safety Instruction Guide for Aluminium Case Plunger for Frankford Arsenal X10

Introduction

Thank you for choosing the Aluminium Case Plunger for your Frankford Arsenal X10 progressive reloading press. This premium upgrade is designed to enhance the performance and longevity of your reloading setup. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always read and understand the instructions before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage. Do not use if any defects are found.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling the reloading press and components.
- Ensure that the reloading press is securely mounted and stable before operation.
- Do not exceed the recommended specifications for your reloading setup.
- Be cautious of sharp edges during installation and handling.
- Avoid using the plunger with incompatible calibers or setups.
- Do not force the plunger into position; ensure proper alignment before use.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools, including the original factory screws from your press.
- Ensure your work area is clean and welllit.

2. Installation Steps

- Remove the existing plastic case plunger from your Frankford Arsenal X10 reloading press.
- Align the Aluminium Case Plunger with the mounting points on the press.
- Securely attach the plunger using the original factory screws. Ensure that all screws are tightened appropriately.
- Verify that the plunger moves smoothly and is properly aligned before operating the press.

3. Usage Instructions

- Adjust the plunger's travel and alignment as needed to match your specific caliber setup.
- Monitor the operation of the plunger during reloading to ensure consistent performance.
- Regularly check for any signs of wear or damage during use, and replace if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal recycling.
- Do not dispose of the product in household waste.
- Ensure that any components that may pose a risk to the environment are handled appropriately.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Aluminium Case Plunger for Frankford Arsenal X10. Thank you for prioritizing safety in your reloading practices.
