

Aluminium Case Plunger for Frankford Arsenal X-10 (#3)

[Handgun Parts](#) > [Frame Parts](#) > [Frame Hardware](#)

Eliminate flex and ensure flawless case feeding. Upgrade your Frankford Arsenal X-10 progressive reloading press with this premium aluminum case plunger. Precision-engineered to replace the factory plastic component, this upgrade delivers enhanced rigidity, ultra-smooth cycling, and exceptional longevity where the original part is prone to wear and flexing.

Aircraft-Grade Metallurgy: CNC-machined from high-strength 6082 Aluminum for maximum structural integrity and wear resistance.

Flawless Case Feeding: Eliminates the mechanical flex of the stock plastic part, ensuring positive, consistent, and well-timed case insertion into the shellplate.

Micro-Adjustable Design: Fully adjustable profile allows you to fine-tune the plunger's travel and alignment to perfectly match your specific caliber setup.

Drop-In Installation: Engineered as a direct, hassle-free replacement that installs quickly using your press's original factory screws.

Targeted Compatibility: Custom-tailored specifically for the Frankford Arsenal X-10 reloading press.

Attributes

Aluminium Case Plunger for Frankford Arsenal X10 Safety Instructions

Introduction

Thank you for choosing the Aluminium Case Plunger for your Frankford Arsenal X10 reloading press. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Always ensure that the reloading press is turned off and unplugged before performing any maintenance or making modifications.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the plunger and reloading press regularly for any signs of wear or damage.
- Use the product only for its intended purpose as described in this manual.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform to ensure the product is safe to use.

Specific Safety Precautions for Use

- **Risk of Injury:** The plunger operates under mechanical forces that can cause injury if not handled properly. Always keep hands and loose clothing away from moving parts during operation.
- **Compatibility:** Ensure that the plunger is compatible with the Frankford Arsenal X10 reloading press. Using it with incompatible equipment may result in malfunction or injury.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which can lead to operational hazards.
- **Maintenance:** Regularly clean and maintain the plunger to ensure optimal performance and safety.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the reloading press is turned off and unplugged.
2. **Remove the Factory Component:** Use a screwdriver to remove the original plastic plunger from the reloading press.
3. **Install the Aluminium Plunger:**
 - Position the Aluminium Case Plunger in place.
 - Secure it using the original factory screws.
4. **Check Alignment:** Make sure the plunger is aligned correctly with the shellplate.
5. **Test Operation:** Once installed, plug in the reloading press and test the plunger's operation without any ammunition to ensure smooth cycling.

Usage

- Operate the reloading press according to the manufacturer's instructions.
- Monitor the plunger's performance during use. If you notice any irregularities, stop using the press immediately and inspect the plunger for damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling or

hazardous waste facility.

Contact Information for Further Support

For any questions or concerns regarding the Aluminium Case Plunger, please refer to the manufacturer's website or customer support channels for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
