Safety Instruction Guide for Ammo Checker 10 Rnd with Quick Transfer Cover and OAL Checker

Introduction

Thank you for choosing the Ammo Checker 10 Rnd with Quick Transfer Cover and OAL Checker. This tool is designed to enhance your ammunition handling experience by ensuring the safety and reliability of your cartridges. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

To ensure your safety while using the Ammo Checker, please adhere to the following guidelines:

- Always handle ammunition with care, treating all cartridges as if they are live.
- Keep the Ammo Checker out of reach of children and vulnerable individuals.
- Inspect the Ammo Checker regularly for any signs of damage or wear.
- Do not use the Ammo Checker if it appears to be malfunctioning or damaged.
- Follow all local laws and regulations regarding ammunition handling and storage.
- Ensure that you are in a safe environment when using the Ammo Checker, away from flammable materials.

Specific Safety Precautions for Use

When using the Ammo Checker, please observe the following safety precautions:

- Ensure that the device is placed on a stable and flat surface during use.
- Do not attempt to force deformed cartridges into the Ammo Checker.
- Always check the OAL (Overall Length) of your cartridges to ensure they meet your firearm's specifications.
- Avoid using the Ammo Checker in wet or humid conditions, as this may affect its performance.
- Wear appropriate eye protection when handling ammunition.
- Do not leave the Ammo Checker unattended while in use.

Instructions for Installation and Usage

Follow these steps to install and use the Ammo Checker safely:

1. Installation:

- Remove the Ammo Checker from its packaging.
- Place the Ammo Checker on a stable and flat surface.
- Ensure that the Quick Transfer Cover is securely attached before use.

2. Using the Ammo Checker:

- Load up to 10 rounds of ammunition into the Ammo Checker.
- Press down gently on the springloaded mechanism to transfer the rounds into your ammunition box.
- Use the OAL Checker to measure the length of each cartridge.
- Repeat the process as needed, ensuring that all cartridges are checked for uniformity.

3. PostUse:

- After use, store the Ammo Checker in a dry and safe place.
- Regularly clean the device to maintain its functionality.

Disposal Instructions

When the Ammo Checker reaches the end of its life or is no longer usable, please follow these disposal instructions:

- Do not dispose of the Ammo Checker in regular household waste.
- Check for local regulations regarding the disposal of nonfood products.
- If applicable, take the Ammo Checker to a designated recycling center or hazardous waste facility.

Contact Information for Further Support

For any questions or concerns regarding the Ammo Checker, please refer to the manufacturer's contact details provided with the product packaging. Ensure that you have the product information ready for any inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your Ammo Checker 10 Rnd with Quick Transfer Cover and OAL Checker. Thank you for your attention to safety.
