Safety Instruction Guide for Ammo Checker 10 Rnd with Quick Transfer Cover and OAL Checker

Introduction

Thank you for choosing the Armanov Ammo Checker. This product is designed to enhance your ammunition handling experience by ensuring the safety and reliability of your cartridges. Please read this safety instruction guide carefully to understand how to use the device safely and effectively.

General Safety Guidelines

- Ensure that the Ammo Checker is used only for its intended purpose.
- Always handle ammunition with care and follow standard safety practices.
- Keep the Ammo Checker out of reach of children and vulnerable individuals.
- Regularly inspect the device for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always verify that the Ammo Checker is empty before loading cartridges.
- Do not attempt to modify or disassemble the Ammo Checker.
- Use the device in a welllit area to ensure proper visibility.
- Avoid using the Ammo Checker in wet or damp conditions.
- Do not force cartridges into the device; ensure they are compatible and undamaged.

Instructions for Installation and Usage

1. Unboxing and Inspection

- Carefully remove the Ammo Checker from its packaging.
- Inspect the device for any visible damage or defects.
- Ensure that all components are present.

2. Loading Cartridges

- Open the Quick Transfer Cover.
- Place up to 10 rounds of compatible ammunition into the loading chamber.
- Ensure that cartridges are seated properly and are not deformed.

3. Checking Cartridge Length

- Use the OAL Checker feature to measure the overall length of each cartridge.
- Compare the measurements against the specifications for your ammunition type.
- Remove any cartridges that do not meet the required length standards.

4. Transferring Cartridges

- Once checked, close the Quick Transfer Cover securely.
- Use the springloaded mechanism to transfer the cartridges into your ammunition box.
- Ensure that the transfer is smooth and that no cartridges are left behind.

5. PostUse Inspection

- After use, inspect the Ammo Checker for any signs of wear or damage.

- Clean the device as needed to maintain its functionality.

Disposal Instructions

- Dispose of the Ammo Checker in accordance with local regulations.
- Do not dispose of the device in regular household waste.
- If the product is damaged beyond use, contact local waste management services for proper disposal guidance.

Contact Information for Further Support

For any inquiries or support regarding the Ammo Checker, please reach out to your local dealer or manufacturer. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure a safe and effective experience with your Armanov Ammo Checker. Thank you for your attention to these important safety instructions.
