Armanov Ammo Checker Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Ammo Checker 10 Rnd with Quick Transfer Cover and OAL Checker (9x19 mm). This innovative tool is designed to enhance your ammunition handling experience by ensuring the safety and reliability of your cartridges. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the Ammo Checker is used only for its intended purpose, which is to check the dimensions and integrity of ammunition.
- Always handle ammunition with care and follow safe handling practices.
- Keep the Ammo Checker out of reach of children and vulnerable individuals.
- Regularly inspect the Ammo Checker for any signs of wear or damage before use.
- If the Ammo Checker is damaged, discontinue use immediately and replace it.

Specific Safety Precautions for Use

- Always use the Ammo Checker in a safe environment, away from any potential hazards.
- Do not use the Ammo Checker with damaged or deformed cartridges.
- Be cautious of the springloaded mechanism; ensure your fingers are clear when transferring rounds.
- Avoid using excessive force when inserting cartridges into the Ammo Checker.
- Store the Ammo Checker in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Initial Inspection

- Before using the Ammo Checker, inspect it for any visible damage or defects.
- Ensure that the spring mechanism is functioning properly.

2. Loading Cartridges

- Open the Quick Transfer Cover.
- Carefully insert up to 10 rounds of ammunition into the Ammo Checker, ensuring that they are seated correctly.
- Close the Quick Transfer Cover securely.

3. Checking Cartridges

- With the cartridges loaded, gently press down on the Ammo Checker to engage the OAL Checker.
- Observe the results to determine if the cartridges are within acceptable dimensions.
- If a cartridge is found to be deformed or outside specifications, remove it from the Ammo Checker and do not use it.

4. Transferring Cartridges

- Once you have verified the cartridges, use the springloaded mechanism to transfer them directly into your ammunition box.
- Ensure that your fingers are clear of the transfer area to avoid injury.

5. PostUse Care

- After use, clean the Ammo Checker as necessary to remove any debris or residue.
- Store the Ammo Checker in its designated place, away from moisture and direct sunlight.

Disposal Instructions

- When disposing of the Ammo Checker, ensure that it is done in accordance with local regulations.
- If the product is no longer functional or required, consider recycling components where possible.
- Do not dispose of the Ammo Checker in household waste.

Contact Information for Further Support

For any safety inquiries or additional information regarding the Armanov Ammo Checker, please refer to the EU-based contact point provided with your product packaging or documentation.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Armanov Ammo Checker. Always prioritize safety when handling ammunition and do not hesitate to reach out for assistance if needed. Thank you for your attention to these important guidelines.
