

Compensator Equalizer for PCC 9 mm (1/2 28)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Equalizer compensator and muzzle brake was designed from the ground up by studying the gas flow of the low-pressure 9mm pistol caliber. Its three chambers are engineered to trap as much gas as possible and divert it upward, significantly reducing felt recoil. The result is faster follow-up shots, tighter groups, and less overall movement of the firearm.

Precision-machined to tight tolerances from premium barrel steel and finished with a matte bluing, it is built like a tank and will likely outlast the barrel itself.

The radially shaped chambers feature a smooth interior with no sharp corners, allowing for optimal gas flow and effortless maintenance. The Equalizer also includes three custom-fitted scrapers specifically designed for cleaning each gas chamber. We recommend cleaning the chambers after every shooting session or after a maximum of 500 rounds—no additional chemical or mechanical cleaning is required.

Attributes

- Name: [Compensator Equalizer for PCC 9 mm \(1/2 28\)](#)
- Manufacturer: [ARMANOV](#)
- Product no.: EU2018381
- Mfr. No.: MB9MMEQ-1228
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Compensator Equalizer for PCC 9 mm Safety Instruction Guide

Introduction

Thank you for purchasing the Compensator Equalizer for PCC 9 mm. This product is designed to enhance your shooting experience by reducing felt recoil and improving accuracy. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always treat the firearm and its components as if they are loaded.
- Store the compensator and firearm in a secure location, out of reach of children and unauthorized users.
- Use the compensator only with compatible firearms and ammunition.
- Inspect the compensator before each use for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and ownership of firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction when installing or removing the compensator.
- Wear appropriate eye and ear protection when using the firearm equipped with the compensator.
- Do not exceed the recommended number of rounds (500) before cleaning the gas chambers.
- Avoid using the compensator in adverse weather conditions that may affect performance.
- Do not modify the compensator in any way, as this may compromise safety and performance.
- Keep hands and face clear of the compensator's gas ports while firing.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device, if applicable.
- Clean the threads on the barrel to ensure a proper fit.
- Screw the Equalizer compensator onto the barrel's threaded end (1/2 28).
- Tighten securely but do not overtighten, as this may damage the compensator or barrel.

2. Usage:

- Before each shooting session, inspect the compensator for any damage or debris.
- After every shooting session or after a maximum of 500 rounds, clean the gas chambers using the provided scrapers.
- Ensure that the compensator is securely attached before firing.
- Maintain a safe shooting environment, ensuring that bystanders are at a safe distance.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding metal and firearm accessory disposal.
- Do not dispose of the compensator in regular household waste.
- If the compensator is damaged or no longer usable, consider recycling the metal components.

Contact Information for Further Support

For safety inquiries, please refer to the manufacturer's website or contact your local distributor for assistance. Always ensure that you are using genuine products and follow the manufacturer's guidance for safe operation.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Compensator Equalizer for PCC 9 mm. Thank you for your attention to safety.
