

Compensator Equalizer for PCC 9 mm (1/2 36)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Equalizer compensator and muzzle brake was designed from the ground up by studying the gas flow of the low-pressure 9mm pistol caliber. Its three chambers are engineered to trap as much gas as possible and divert it upward, significantly reducing felt recoil. The result is faster follow-up shots, tighter groups, and less overall movement of the firearm.

Precision-machined to tight tolerances from premium barrel steel and finished with a matte bluing, it is built like a tank and will likely outlast the barrel itself.

The radially shaped chambers feature a smooth interior with no sharp corners, allowing for optimal gas flow and effortless maintenance. The Equalizer also includes three custom-fitted scrapers specifically designed for cleaning each gas chamber. We recommend cleaning the chambers after every shooting session or after a maximum of 500 rounds—no additional chemical or mechanical cleaning is required.

Attributes

- Name: [Compensator Equalizer for PCC 9 mm \(1/2 36\)](#)
- Manufacturer: [ARMANOV](#)
- Product no.: EU2018382
- Mfr. No.: MB9MMEQ-1236
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Compensator Equalizer for PCC 9 mm Safety Instruction Guide

Introduction

Thank you for choosing the Compensator Equalizer for PCC 9 mm. This product is designed to enhance your shooting experience by reducing recoil and improving accuracy. To ensure your safety and the safe use of this product, please read and follow the instructions outlined in this guide.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the compensator is properly installed before using the firearm.
- Do not use the compensator with ammunition that exceeds the specified caliber.
- Regularly inspect the compensator for any signs of wear or damage.
- Store the compensator and firearm in a secure location away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the designated 9 mm ammunition with this compensator.
- Ensure that the compensator is clean and free from debris before each use.
- Avoid using the compensator in environments with flammable materials.
- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify or disassemble the compensator.
- Clean the gas chambers after every shooting session or after a maximum of 500 rounds.
- Use the provided customfitted scrapers for cleaning each gas chamber.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Align the compensator with the muzzle of the firearm.
- Securely tighten the compensator using the appropriate tools, ensuring it is fitted according to the manufacturer's specifications.
- Doublecheck that the compensator is firmly attached before use.

2. Usage:

- Load the firearm with the appropriate 9 mm ammunition.
- Ensure that the compensator is clean and free from obstructions.
- Fire the firearm in a safe environment, maintaining awareness of your surroundings.
- After each shooting session, clean the gas chambers using the customfitted scrapers provided.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations for metal waste.
- If the compensator is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.

- Ensure that all components are disposed of in a manner that prevents harm to the environment.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Compensator Equalizer for PCC 9 mm, please contact the manufacturer or your local distributor. Ensure that you have the product details on hand for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the Compensator Equalizer for PCC 9 mm!
