

Compensator Equalizer for PCC 9 mm (M13,5 x 1 LH)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Equalizer compensator and muzzle brake was designed from the ground up by studying the gas flow of the low-pressure 9mm pistol caliber. Its three chambers are engineered to trap as much gas as possible and divert it upward, significantly reducing felt recoil. The result is faster follow-up shots, tighter groups, and less overall movement of the firearm.

Precision-machined to tight tolerances from premium barrel steel and finished with a matte bluing, it is built like a tank and will likely outlast the barrel itself.

The radially shaped chambers feature a smooth interior with no sharp corners, allowing for optimal gas flow and effortless maintenance. The Equalizer also includes three custom-fitted scrapers specifically designed for cleaning each gas chamber. We recommend cleaning the chambers after every shooting session or after a maximum of 500 rounds—no additional chemical or mechanical cleaning is required.

Attributes

- Name: [Compensator Equalizer for PCC 9 mm \(M13,5 x 1 LH\)](#)
- Manufacturer: [ARMANOV](#)
- Product no.: EU2018383
- Mfr. No.: MB9MMEQ-1351LH
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Compensator Equalizer for PCC 9 mm Safety Instructions

Introduction

Thank you for choosing the Compensator Equalizer for PCC 9 mm. This product is designed to enhance your shooting experience by reducing recoil and improving accuracy. To ensure your safety and the safety of others, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and compensator in a secure location, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when using the compensator.
- Be aware of your surroundings and ensure a clear shooting area.
- Regularly inspect the compensator for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- Ensure that the compensator is properly installed before using the firearm.
- Do not exceed the recommended maximum number of rounds (500) between cleaning sessions.
- Always clean the gas chambers after each shooting session to maintain optimal performance.
- Avoid using the compensator with ammunition that exceeds the specifications for the PCC 9 mm.
- Be cautious of hot surfaces after firing, as the compensator may become very hot.
- Do not attempt to modify or alter the compensator in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Thread the Compensator Equalizer onto the muzzle of the firearm, ensuring it is aligned correctly.
- Tighten the compensator securely using an appropriate tool, but do not overtighten.

2. Usage:

- Before each use, check that the compensator is securely attached.
- Load the firearm according to the manufacturer's instructions.
- Fire the firearm while maintaining a firm grip and proper stance to maximize the benefits of the compensator.
- After firing, allow the compensator to cool before handling.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations for metal products.
- If the compensator is damaged or no longer usable, do not attempt to repair it; instead, dispose of it responsibly.
- Ensure that any cleaning materials or chemicals used are disposed of in accordance with local environmental regulations.

Contact Information for Further Support

For any questions or concerns regarding the Compensator Equalizer for PCC 9 mm, please consult the manufacturer's website or contact your local dealer for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with the Compensator Equalizer for PCC 9 mm. Always prioritize safety and be mindful of your surroundings while using this product. Thank you for your attention to these important guidelines.
