

Compensator Equalizer for PCC 9 mm (M14 x 1)

The Equalizer compensator and muzzle brake was designed from the ground up by studying the gas flow of the low-pressure 9mm pistol caliber. Its three chambers are engineered to trap as much gas as possible and divert it upward, significantly reducing felt recoil. The result is faster follow-up shots, tighter groups, and less overall movement of the firearm.

Precision-machined to tight tolerances from premium barrel steel and finished with a matte bluing, it is built like a tank and will likely outlast the barrel itself.

The radially shaped chambers feature a smooth interior with no sharp corners, allowing for optimal gas flow and effortless maintenance. The Equalizer also includes three custom-fitted scrapers specifically designed for cleaning each gas chamber. We recommend cleaning the chambers after every shooting session or after a maximum of 500 rounds—no additional chemical or mechanical cleaning is required.

Attributes

- Name: Compensator Equalizer for PCC 9 mm (M14 x 1)
- Manufacturer: ARMANOV
- Product no.: EU2018384
- Mfr. No.: MB9MMEQ-14X1
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Compensator Equalizer for PCC 9 mm Safety Instructions

Introduction

Thank you for choosing the Compensator Equalizer for PCC 9 mm. This product is designed to enhance your shooting experience by reducing felt recoil and improving accuracy. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that you are in a safe environment when using the compensator.
- Use only compatible firearms as specified by the manufacturer.
- Regularly inspect the compensator and firearm for any signs of wear or damage.
- Store the compensator and firearm in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use of the compensator may lead to increased recoil, misfires, or damage to the firearm.
- **Avoiding Hazards:**
 - Ensure that the compensator is properly installed before use.
 - Do not exceed the recommended number of rounds between cleanings (500 rounds).
 - Always wear appropriate eye and ear protection when using the firearm.
 - Be aware of your surroundings and ensure that no one is in the line of fire.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., wrench).

2. Installing the Compensator:

- Remove the existing muzzle device from the firearm.
- Align the compensator with the muzzle threads (M14 x 1).
- Handtighten the compensator onto the threads.
- Use a wrench to secure the compensator, but do not overtighten.

3. Final Check:

- Ensure that the compensator is securely attached and does not wobble.
- Inspect the firearm to ensure that all components are in proper working order.

Usage

- Load the firearm as per the manufacturer's guidelines.
- When ready to shoot, maintain a firm grip on the firearm and aim at your target.

- After each shooting session, clean the gas chambers with the provided scrapers.
- Follow the recommended cleaning schedule: after every shooting session or after a maximum of 500 rounds.

Disposal Instructions

- Dispose of the compensator according to local regulations regarding metal waste.
- Do not dispose of the compensator in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Compensator Equalizer for PCC 9 mm, please reach out to your local authorized dealer or the manufacturer's customer support. Ensure that you have the product details ready for a more efficient response.

By following these safety instructions, you will help ensure a safe and enjoyable shooting experience with your Compensator Equalizer for PCC 9 mm. Thank you for your attention to safety!
