

Compensator Equalizer for PCC 9 mm (M15 x 1)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Equalizer compensator and muzzle brake was designed from the ground up by studying the gas flow of the low-pressure 9mm pistol caliber. Its three chambers are engineered to trap as much gas as possible and divert it upward, significantly reducing felt recoil. The result is faster follow-up shots, tighter groups, and less overall movement of the firearm.

Precision-machined to tight tolerances from premium barrel steel and finished with a matte bluing, it is built like a tank and will likely outlast the barrel itself.

The radially shaped chambers feature a smooth interior with no sharp corners, allowing for optimal gas flow and effortless maintenance. The Equalizer also includes three custom-fitted scrapers specifically designed for cleaning each gas chamber. We recommend cleaning the chambers after every shooting session or after a maximum of 500 rounds—no additional chemical or mechanical cleaning is required.

Attributes

- Name: [Compensator Equalizer for PCC 9 mm \(M15 x 1\)](#)
- Manufacturer: [ARMANOV](#)
- Product no.: EU2018385
- Mfr. No.: MB9MMEQ-15X1
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Compensator Equalizer for PCC 9 mm Safety Instruction Guide

Introduction

Thank you for choosing the Compensator Equalizer for PCC 9 mm. This product is designed to enhance your shooting experience by reducing recoil and improving accuracy. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Compensator Equalizer is installed correctly on your firearm before use.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you are in a safe environment for shooting.
- Regularly inspect your firearm and accessories for any signs of wear or damage.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the firearm is unloaded before attempting to install the compensator.
 - Follow the installation instructions carefully to avoid improper fitting, which may cause malfunctions.
- **Shooting Precautions:**
 - Use only the recommended ammunition type for your firearm and compensator.
 - Avoid using the compensator if it shows signs of damage or wear.
 - Do not modify the compensator in any way, as this may lead to unsafe conditions.
- **Cleaning Precautions:**
 - Clean the compensator after every shooting session or after a maximum of 500 rounds.
 - Use only recommended cleaning tools and methods to avoid damaging the compensator.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is completely unloaded.
- Remove the existing muzzle device if applicable.
- Align the Compensator Equalizer with the muzzle threads (M15 x 1).
- Handtighten the compensator onto the muzzle until secure. Do not overtighten.
- Verify that the compensator is properly aligned and secure before use.

2. Usage:

- Load your firearm with the appropriate ammunition.
- Maintain a proper shooting stance and grip.
- Fire the firearm as per standard shooting practices, being mindful of the reduced recoil provided by the compensator.
- After shooting, inspect the compensator for any debris or residue.

Disposal Instructions

- Dispose of the Compensator Equalizer in accordance with local regulations for metal products.
- Do not dispose of the compensator in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or support regarding the Compensator Equalizer, please reach out to the appropriate contact point as indicated in your product documentation or retailer.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your Compensator Equalizer for PCC 9 mm. Thank you for your attention to safety.
