

Compensator Equalizer for PCC 9 mm (5/8 24)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Equalizer compensator and muzzle brake was designed from the ground up by studying the gas flow of the low-pressure 9mm pistol caliber. Its three chambers are engineered to trap as much gas as possible and divert it upward, significantly reducing felt recoil. The result is faster follow-up shots, tighter groups, and less overall movement of the firearm.

Precision-machined to tight tolerances from premium barrel steel and finished with a matte bluing, it is built like a tank and will likely outlast the barrel itself.

The radially shaped chambers feature a smooth interior with no sharp corners, allowing for optimal gas flow and effortless maintenance. The Equalizer also includes three custom-fitted scrapers specifically designed for cleaning each gas chamber. We recommend cleaning the chambers after every shooting session or after a maximum of 500 rounds—no additional chemical or mechanical cleaning is required.

Attributes

- Name: [Compensator Equalizer for PCC 9 mm \(5/8 24\)](#)
- Manufacturer: [ARMANOV](#)
- Product no.: EU2018386
- Mfr. No.: MB9MMEQ-5824
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm

Compensator Equalizer for PCC 9 mm Safety Instruction Guide

Introduction

Thank you for choosing the Compensator Equalizer for PCC 9 mm. This product is designed to enhance your shooting experience by reducing recoil and improving accuracy. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that you are in a safe environment when using the compensator.
- Wear appropriate safety gear, including eye and ear protection.
- Keep the compensator and firearm out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of wear or damage.
- Do not use the compensator if it is damaged or if you notice any irregularities.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before attaching or detaching the compensator.
- Use only the recommended caliber (9 mm) with this compensator.
- Do not exceed the manufacturer's recommended round count of 500 rounds between cleanings.
- Always clean the gas chambers after each shooting session to maintain optimal performance.
- Avoid using any chemical or mechanical cleaning methods that are not specified in this guide.
- Be aware of your surroundings and ensure that there is a safe backstop when firing.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure that your firearm is completely unloaded. Remove the magazine and visually inspect the chamber.
2. **Align the Compensator:** Position the compensator over the muzzle of the barrel. Ensure that the threads are aligned properly.
3. **Secure the Compensator:** Gently screw the compensator onto the barrel, ensuring it is handtightened. Do not overtighten.
4. **Check for Stability:** Once installed, check that the compensator is secure and does not wobble.

Usage

- **Shooting:** When using the compensator, maintain a firm grip on the firearm. The compensator is designed to reduce recoil, allowing for faster followup shots.
- **Cleaning:** After each shooting session, use the customfitted scrapers provided to clean each gas chamber. This will help maintain optimal gas flow and performance.
- **Inspection:** Regularly check the compensator for any signs of wear or damage, especially after extensive use.

Disposal Instructions

When it comes time to dispose of the Compensator Equalizer for PCC 9 mm, please follow these guidelines:

- Do not dispose of the compensator in regular household waste.

- Check local regulations for the proper disposal of firearm accessories.
- Consider recycling options if available.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Compensator Equalizer for PCC 9 mm, please refer to the manufacturer's website or contact the designated EUbased contact point for assistance.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with the Compensator Equalizer for PCC 9 mm. Always stay informed about safety practices and regulations related to firearm use. Thank you for your attention to these important safety instructions.
