

Mini Bullet Feeder (.40 / 10mm)

A cost-effective solution for enhancing efficiency and safety. The Armanov Mini Bullet Feeder automates the bullet placement process, completely eliminating the need to insert your fingers between the die and the case. While the full-scale Armanov Bullet Feeder Gen2 is an incredible high-volume upgrade, this Mini version serves as the perfect entry-level solution for those new to reloading or working with lower production volumes.

Attributes

Armanov Mini Bullet Feeder Safety Instructions

Introduction

Thank you for choosing the Armanov Mini Bullet Feeder. This product is designed to enhance the efficiency and safety of your reloading process. Please read this safety instruction guide carefully to ensure safe and effective use of the Mini Bullet Feeder, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Mini Bullet Feeder is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the feeder for any signs of damage or wear. Do not use if damaged.
- Always use the feeder in a wellventilated area to avoid inhalation of any dust or debris.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not insert your fingers between the die and the case while operating the Mini Bullet Feeder.
- Always wear appropriate safety gear, such as safety glasses, when using the product.
- Ensure that the feeder is securely mounted and stable before use.
- Avoid overloading the feeder beyond its specified capacity.
- Do not modify the Mini Bullet Feeder in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Installation

- Unbox the Mini Bullet Feeder and ensure all components are included.
- Securely mount the feeder to your reloading press, following the manufacturer's guidelines.
- Check that all connections are tight and that the feeder is stable.

2. Usage

- Load the bullet tray with the appropriate bullets for your specific caliber (.40 / 10mm).
- Adjust the feeder settings according to the manufacturer's instructions.
- Start the reloading process, ensuring that you do not place your fingers in the operational area.
- Monitor the feeding process to ensure smooth operation and prevent jams.

Disposal Instructions

- Dispose of the Mini Bullet Feeder in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management service for information on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Armanov Mini Bullet Feeder, please refer to the contact information provided by the manufacturer or visit their official website.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the Armanov Mini Bullet Feeder!
