

Mini Bullet Feeder (9mm / .38 Super)

A cost-effective solution for enhancing efficiency and safety. The Armanov Mini Bullet Feeder automates the bullet placement process, completely eliminating the need to insert your fingers between the die and the case. While the full-scale Armanov Bullet Feeder Gen2 is an incredible high-volume upgrade, this Mini version serves as the perfect entry-level solution for those new to reloading or working with lower production volumes.

Armanov Mini Bullet Feeder Safety Instructions

Introduction

Thank you for choosing the Armanov Mini Bullet Feeder. This product is designed to enhance your reloading efficiency and safety. Please read this safety instruction guide carefully to ensure safe and proper use of the device.

General Safety Guidelines

- Ensure that the Mini Bullet Feeder is used only for its intended purpose of automating bullet placement in reloading.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the device for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when operating the Mini Bullet Feeder.
- Do not place your fingers or any body parts near moving parts during operation.
- Ensure that the work area is clean and free from distractions to maintain focus while using the device.
- Use only compatible bullets and components as specified in the product guidelines.
- If you experience any malfunction or unusual behavior, stop using the device immediately and consult the troubleshooting section or contact support.

Instructions for Installation and Usage

1. Installation

- Place the Mini Bullet Feeder on a stable, flat surface to prevent tipping or movement during operation.
- Secure the device according to the manufacturer's guidelines to ensure it is firmly in place.

2. Usage

- Load the bullets into the feeder as instructed in the product manual.
- Turn on the feeder and allow it to operate without interference.
- Monitor the feeding process to ensure that bullets are being placed correctly without jams.
- If a jam occurs, turn off the device and carefully clear the obstruction before resuming use.

Disposal Instructions

- Dispose of the Mini Bullet Feeder in accordance with local regulations regarding electronic waste.
- Do not dispose of the device in regular household waste.
- Remove batteries (if applicable) and recycle them according to local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Armanov Mini Bullet Feeder, please refer to the manufacturer's contact information provided with the product.
