Engineered specifically for advanced sports and professional competition shooters, the Race Base Pad for CZ pistols provides exceptional traction and longevity. It meets all requirements for IDPA and the IPSC Production and Standard divisions, fitting perfectly within the official IPSC box. Compatible with CZ and Mec-Gar magazines, it expands the capacity from 17 to 18 rounds without the need to upgrade the factory spring. Machined grooves on three sides facilitate quick and precise one-handed reloads, while the tight tolerance ensures a highly secure fit. Installation and removal are entirely tool-free and require no modifications. Furthermore, the flat bottom is equipped with specialized grip tape to enhance handling and absorb impact damage typically sustained when dropping magazines in dynamic disciplines.

Introduction

Thank you for purchasing the Magazine Base Pad for KMR L02 and W02 Pistols. This product is designed for advanced sports and professional competition shooters, providing enhanced performance and safety. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Magazine Base Pad is compatible with your specific pistol model before use.
- Always follow local laws and regulations regarding the use of firearms and accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Magazine Base Pad regularly for signs of wear or damage.
- Do not use the product if it appears damaged or compromised in any way.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always handle firearms with care and assume they are loaded until verified otherwise.
- When reloading, ensure that you are in a safe environment, away from bystanders.
- Use the Magazine Base Pad only as intended; do not modify or alter it.
- Be cautious of the grip tape on the flat bottom; ensure it is clean and free of debris to maintain optimal handling.
- Avoid dropping magazines from heights that may cause damage to the Magazine Base Pad or the magazine itself.

Instructions for Installation and Usage

1. Installation:

- Remove the existing base pad from your magazine by following the manufacturer's instructions.
- Align the Magazine Base Pad with the magazine, ensuring a snug fit.
- Press the Magazine Base Pad onto the magazine until it clicks into place, indicating proper installation.
- Ensure that the base pad is securely attached before use.

2. Usage:

- Load the magazine with the appropriate number of rounds (up to 18).
- When reloading, hold the magazine securely and use one hand to facilitate quick reloading.
- Practice reloading in a safe environment to become familiar with the handling of the Magazine Base Pad.

Disposal Instructions

- When the Magazine Base Pad reaches the end of its useful life, dispose of it responsibly.
- Follow local regulations regarding the disposal of plastic and metal products.
