

Magazine Base Pad for KMR L-02, W-02 Pistols½Speed Line - Magazine Base Pad for KMR L-02, W-02 Pistols½Speed Line (Orange)

Engineered specifically for advanced sports and professional competition shooters, the Race Base Pad for CZ pistols provides exceptional traction and longevity. It meets all requirements for IDPA and the IPSC Production and Standard divisions, fitting perfectly within the official IPSC box. Compatible with CZ and Mec-Gar magazines, it expands the capacity from 17 to 18 rounds without the need to upgrade the factory spring. Machined grooves on three sides facilitate quick and precise one-handed reloads, while the tight tolerance ensures a highly secure fit. Installation and removal are entirely tool-free and require no modifications. Furthermore, the flat bottom is equipped with specialized grip tape to enhance handling and absorb impact damage typically sustained when dropping magazines in dynamic disciplines.

Safety Instruction Guide for Magazine Base Pad for KMR L02, W02 Pistols

Introduction

Thank you for choosing the Magazine Base Pad for KMR L02 and W02 Pistols. This product is designed with advanced sports and professional competition shooters in mind, ensuring enhanced performance and safety. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** This product has been designed to meet safety standards. Ensure that you use it according to the instructions provided.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a notice regarding this product, follow the instructions provided for safe return or remedy.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact point in the EU.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on product safety.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the Magazine Base Pad is compatible with CZ and MecGar magazines before use.
- **Capacity Limit:** Do not exceed the intended capacity of 18 rounds. Overloading may cause malfunction.
- **Inspection:** Regularly inspect the base pad for wear and damage. Do not use if any damage is found.
- **Handling:** Use caution when handling loaded magazines. Always treat them as if they are loaded.
- **Environment:** Avoid using the product in wet or slippery conditions that may affect grip and handling.

Instructions for Installation and Usage

1. Installation:

- Remove the existing base pad from your magazine.
- Align the Magazine Base Pad with the magazine.
- Press down firmly until the base pad clicks into place. Ensure it is secure.
- Verify that the magazine functions correctly with the new base pad installed.

2. Usage:

- Load the magazine with a maximum of 18 rounds.
- When reloading, use the machined grooves for quick and precise onehanded operation.
- Always ensure that the magazine is securely seated in the firearm before use.

3. Removal:

- To remove the base pad, simply press the release mechanism and slide the pad off the magazine.
- Inspect both the magazine and the base pad for any signs of wear or damage before reinstallation.

Disposal Instructions

- Dispose of the Magazine Base Pad and any associated packaging in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for any recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Magazine Base Pad for KMR L02, W02 Pistols, please refer to the manufacturer's official website or customer support channels for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with the Magazine Base Pad for KMR L02 and W02 Pistols. Thank you for your attention to safety.
