

Magazine Base Pad for KMR L-02, W-02 Pistols½Speed Line - Magazine Base Pad for KMR L-02, W-02 Pistols½Speed Line (Red)

Engineered specifically for advanced sports and professional competition shooters, the Race Base Pad for CZ pistols provides exceptional traction and longevity. It meets all requirements for IDPA and the IPSC Production and Standard divisions, fitting perfectly within the official IPSC box. Compatible with CZ and Mec-Gar magazines, it expands the capacity from 17 to 18 rounds without the need to upgrade the factory spring. Machined grooves on three sides facilitate quick and precise one-handed reloads, while the tight tolerance ensures a highly secure fit. Installation and removal are entirely tool-free and require no modifications. Furthermore, the flat bottom is equipped with specialized grip tape to enhance handling and absorb impact damage typically sustained when dropping magazines in dynamic disciplines.

Safety Instruction Guide for Magazine Base Pad for KMR L02, W02 Pistols

Introduction

Thank you for choosing the Magazine Base Pad for KMR L02, W02 Pistols. This product is designed to enhance your shooting experience by providing improved traction and extended magazine capacity. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the Magazine Base Pad is compatible with your specific model of CZ or MecGar magazines before use.
- Always handle firearms and accessories responsibly and in accordance with local laws and regulations.
- Keep the Magazine Base Pad and all related products out of reach of children and unauthorized users.
- Regularly inspect the Magazine Base Pad for signs of wear or damage before each use. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended magazine capacity. This product allows for an increase from 17 to 18 rounds.
- Ensure that the magazine is securely fitted into the firearm before use.
- Avoid dropping the magazine from significant heights as this may cause damage that affects performance.
- Use the flat bottom grip tape to enhance handling but ensure it is clean and free from debris before use.
- If you experience any issues with reloading or fit, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Remove the Existing Base Pad:** Slide the existing base pad off the magazine by applying gentle pressure.
2. **Attach the Magazine Base Pad:** Align the Magazine Base Pad with the magazine and slide it into place until you hear a click, indicating a secure fit.
3. **Check the Fit:** Ensure that the Magazine Base Pad is tightly secured and does not move when pulled.

Usage

- Load the magazine with the appropriate number of rounds (up to 18) and ensure it is correctly seated in the firearm.
- Practice onehanded reloads to familiarize yourself with the grip and feel of the new base pad.
- Always follow safe firearm handling practices while using the magazine.

Disposal Instructions

- Dispose of the Magazine Base Pad responsibly in accordance with local regulations.
- If the product is damaged and no longer usable, contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Magazine Base Pad or its usage, please consult the manufacturer's website or customer support resources.

Thank you for prioritizing safety and responsible use of your shooting equipment. Enjoy your enhanced shooting experience with the Magazine Base Pad for KMR L02, W02 Pistols.
