

Magazine Base Pad for KMR L-02, W-02 Pistols½Speed Line - Magazine Base Pad for KMR L-02, W-02 Pistols¼Speed Line (Silver)

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Engineered specifically for advanced sports and professional competition shooters, the Race Base Pad for CZ pistols provides exceptional traction and longevity. It meets all requirements for IDPA and the IPSC Production and Standard divisions, fitting perfectly within the official IPSC box. Compatible with CZ and Mec-Gar magazines, it expands the capacity from 17 to 18 rounds without the need to upgrade the factory spring. Machined grooves on three sides facilitate quick and precise one-handed reloads, while the tight tolerance ensures a highly secure fit. Installation and removal are entirely tool-free and require no modifications. Furthermore, the flat bottom is equipped with specialized grip tape to enhance handling and absorb impact damage typically sustained when dropping magazines in dynamic disciplines.

Safety Instruction Guide for Magazine Base Pad for KMR L02, W02 Pistols

Introduction

Thank you for choosing the Magazine Base Pad for KMR L02, W02 Pistols. This product is designed for advanced sports and professional competition shooters. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the Magazine Base Pad by following these guidelines:
 - Always inspect the product for damage before use.
 - Use only with compatible CZ and MecGar magazines.
 - Keep the product out of reach of children and vulnerable individuals.
 - Report any unsafe products or accidents to the appropriate authorities.
 - Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- To ensure safe operation:
 - Do not exceed the magazine capacity specified for your firearm.
 - Avoid using the product in extreme temperatures or harsh environments, as this may affect performance.
 - Ensure the base pad is securely attached before use to avoid accidental detachment.
 - Use caution when handling magazines, especially during reloading and unloading.
 - The grip tape on the flat bottom is designed to enhance handling; however, ensure that it is in good condition before use.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage:

1. Installation:

- Remove the magazine from the firearm.
- Align the Magazine Base Pad with the bottom of the magazine.
- Press the base pad onto the magazine until it clicks into place securely.
- Ensure that the base pad is firmly attached and does not move.

2. Usage:

- Load the magazine according to the manufacturer's instructions.
- When reloading, utilize the machined grooves on the base pad for quick and precise onehanded reloads.
- After use, inspect the magazine and base pad for any signs of wear or damage.

3. Removal:

- To remove the base pad, press down on the release mechanism if applicable.
- Gently pull the base pad away from the magazine until it is detached.

Disposal Instructions

- Dispose of the Magazine Base Pad responsibly:
 - Follow local regulations for electronic and plastic waste disposal.
 - Do not dispose of the product in regular household waste.
 - Consider recycling the product if possible.

Contact Information for Further Support

- For any inquiries or concerns regarding the Magazine Base Pad, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for adhering to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the Magazine Base Pad for KMR L02, W02 Pistols.
